Thanks from the new Sheriff-elect

I just want to take this opportunity to thank everyone for their support during my campaign and for all the hard work and dedication exhibited during past months. The hard work paid off and now we can concentrate on the business at hand – law enforcement and protecting and serving the people of Monroe County.

I look forward to working with everyone in the future. I'm excited about everything

we have to look forward to and I know everyone will pitch in and work hard as we move into the new year. The Monroe County Sheriff's Office is about teamwork, and about working together both inside the office, and working together with the community to make this the best agency, and the best community it can be.

Bob Peryam, Sheriff-elect of Monroe County
