## **More affordable housing information**

From Steve Francis, Waterfront Resort Realty

I recently became aware of an expanded buyer assistance program for Monroe County law enforcement employees to assist them in buying a home.

The employee may be eligible for:

- 100% financing,
- 4% of the purchase price towards their closing costs, and a
- 6.2% interest rate loan,

if their family size is 2 or less and they make less than \$73,200, or if their family size is 3 or more and they make less than \$85,400.

Currently, with the buyers market that we have, there are some great deals out there. For more information they can call Stephen Francis of Waterfront Resort Realty at 305-879-6078.

## **Easter on the Animal Farm**

Mark your calendars and don't forget to attend the annual Easter on the Animal Farm event this Sunday, April 1st.

A favorite with kids of all ages, Easter at the Farm will take place between the hours of 1 p.m. and 3 p.m. and is free of charge. Children will be treated to wonderful Easter treats and an Easter Egg Hunt. Get there early, before all the eggs disappear! Everyone is welcome to this fun family event, and in addition to the Easter festivities, kids and adults alike can, of course, visit all the wonderful animals at the Farm, including including tropical birds, snakes, ferrets, rabbits, horses, ponies, a llama, goats, sheep, pigs, chickens, ducks, an 100 pound tortoise and more.

The Children's Animal Farm is located at the Stock Island Detention Center, just off of College Road. It is open to the public on the second and fourth Sunday of every month, except in April when it will be open the first and fourth Sundays. Groups may make special arrangements to visit the farm as well. Call the Sheriff's Office Detention Center at 305-293-7300 to schedule a visit.

## **National Public Safety Telecommunicator's Week**

April 8 - 14 is National Public Safety Telecommunicator's Week, a week when the public safety community, and those in the community who depend on public safety workers to keep them safe, take time out to give thanks to dispatchers who work behind the scenes to make sure the folks out in the field are safe.

Public Safety Dispatchers have one of the toughest, most stressful jobs. They deal with people in crisis on an almost constant basis, and must do it calmly and professionally. They are responsible for making sure law enforcement officers, firefighters and paramedics in the field have as much information as possible about the incidents they are responding to, for their own safety as well as for the safety of those needing assistance.

It is a weighty responsibility and, too often, they perform the job day in and day out without much recognition. National Public Safety Telecommunicator's Week gives us all a chance to remedy that. If you know a public safety dispatcher, or work for a public safety agency, pick up the phone, write a letter - do something to let them know how much you

appreciate the job they do.
