Islamorada Sheriff Substation Temporary Relocation September 10 through September 24, 2007

From September 10 through September 24, 2007, the Islamorada Sheriff's Office Substation located at the entrance to Founders Park will closed for interior renovations.

Islamorada Sheriff's Office personnel will be working from the Roth Building located at 50 High Point Road. High Point Road is located on the bayside at approximately Mile Marker 89. Anyone wishing to do business with Islamorada Sheriff's Office personnel should call 305-853-3211 or visit their temporary office at the Roth building.

The telephone at the Islamorada substation will be operational but only to accept recorded messages. Islamorada Sheriff's Office personnel will return any calls recorded on the substation phone as soon as possible.

If all work goes as planned, the Islamorada substation is expected to re-open on September 24, 2007. Captain Don Fanelli stated "The temporary relocation should have no impact on public service and we hope the renovations will benefit everyone who utilizes the Islamorada substation. We appreciate cooperation from the public during the renovation process."
