### Don't park in "Customer" parking spots please

Please **do not park** in any of the 3 parking slots in the front of our building marked for "Monroe County Customers". DJJ agreed to have these parking spaces marked **strictly** for individuals who are conducting business with us or with a Monroe County office.

Additionally, if you are not handicapped, refrain from parking in the handicapped parking areas - there are people who legitimately need this accommodation. There is ample space adjacent to our building to meet parking needs.

Managers/Supervisors, please share this with all of your staff as well as other offices in our building who are not included on the above email list.

Your consideration is appreciated.
