Cash for Keys Critters

FKSPCA is collecting ink cartridges for recycling to help fund the animal shelter and various programs.

You can help the Florida Keys Animal Shelter earn extra cash to benefit stray and abandoned animals at the shelter while they are waiting to find new homes. Many ink and laser cartridges can be recycled & re-used. For every recycled ink cartridge the shelter will receive anywhere from \$2.00-\$12.00. **Best of all, this is great for the environment!** All money raised will go directly to the shelter's Spay and Neuter Clinic, medical treatment, vaccinations, treats, renovations of the kennels and cattery and everything else the critters at the shelter need.

Please start saving your old ink and laser cartridges and send Tracey Weber an email so she can come and pick them up. Tracey Weber can be reached at: tweber@keysso.net or by phone at 305-879-7315 or for more information visit: www.fkspca.org

Note: In the lower Keys, send them to the Information Systems Office and they will get them to the SPCA.
