Special Olympics Law Enforcement Torch Run

The Monroe County Sheriff's Office in cooperation with the Monroe County Special Olympics Committee, the Florida Department of Law Enforcement, the Key West Police Department, the US Navy, US Coast Guard and the Florida Wildlife Commission invites all members of your Agency to participate in the annual Law Enforcement Torch Run to be held on Friday April 11th, 2007 at 08:30 a.m. in Key West.

The Key West leg will begin at the Sheriff's Office complex on Stock Island and wind through the streets arriving at Publix for a brief stop. Publix is a major contributor to the Special Olympics, raising millions of dollars each year. Then off to Poinciana School, Key West High School, HOB School and Glenn Archer School. An exchange of the torch from the Sheriff's Department to the Key West Police Department will take place at the Southernmost Point where I will be handing off to Chief Bill Mauldin. The runners will then trek the final 1.2 miles to Mallory Square. There will be water stops at all the schools and the run pace will be slow. Runners can run any leg they choose. Support vehicles will accompany the runners. Event T-shirts and tank tops will be available for \$12.00.

Members of your agency, sworn and non-sworn may register for the run by contacting either Jim Painter at (305) 292-7027 / email jpainter@keysso.net or Special Agent Jeff Hutcheon at (305) 292-7022 / email JeffHutcheon@fdle.state.fl.us.

The torch will travel across the state, carried by Law Enforcement personnel. For more information on the representing agencies goto: <http://www.specialolympicsflorida.org/content/view/20/58/>

Frankie Arencibia, Jr. Cancer Fund

Frankie Arencibia, Jr. is a 10 year old student in the 3rd grade at Poinciana Elementary. On March 5th he was diagnosed with Non-Hodgkins Lymphoma. What started out as a swollen gland on the left side of his neck grew to a 6cm mass in a matter of 3 weeks. It was removed by the docs at Miami Children's on March 3rd and the family was notified on March 5th that the tumor was Malignant. As you can imagine this has been a very trying time for the family and we are doing everything we can to help out with the extreme medical bills, and travel expenses that they are going to face. There has been an account set up for him at Southern Most Federal Credit Union @1004 Kennedy Drive in Key West, and we have also put out jugs in numerous business's around town for donations. The family plans on having some sort of benefit in mid-April. More info will follow.

Thanks so much for everyone who is going to or has already contributed. It is greatly appreciated. Frankie is a strong little boy and we just pray that he'll get through this.

On behalf of the Arencibia Family, Thank You!!!
