Marathon Gym Rules tightened up

It has become apparent that the code used to access the Marathon gym has been shared with people who are not authorized to have it. Because of this, the code will be changed soon and a liaison is being appointed to keep a closer eye on the facility and those who use it.

Sgt. Trish Dally will be the liaison. As a reminder, only those who are authorized by access the gym. Authorized people may take a guest with them, but must be there in person when the guest is working out. There will now be a sign up log in the gym where the authorized person must sign in, and list who their guest is if they have one. Dispatch will be given a complete list of authorized gym users and road patrol deputies will be doing spot checks to make sure no unauthorized users are there by themselves. People found in the gym who are not authorized to be there will be issued a trespass warning.

As a reminder: Persons that have been convicted of a felony may not use the gym. Persons using the gym must also clean the equipment after use and place the weights back on the shelves. Those wishing to use the gym should call Sgt. Dally at 289-2410 or email her at pdally@keyssso.net with a contact phone number so she can call and give you the new code to get in. Anyone who notices any equipment not working properly or items needing repair or replacement in the gym should contact her as well.

Can Recycling begins

Starting this coming Wednesday - June 4th, 2008 - we will have a recycle bin marked "Dan's Cans" placed in the common break room (1st floor) in which you may place your empty aluminum soda cans to be recycled. We encourage everybody to participate in protecting our environment by recycling and contributing towards a good cause. Another such recycling container will be placed at the main jail facility.

Each office should determine how they wish to separate cans from their regular waste. The trusty can then pick the cans up as he makes his rounds each day.

The Sheriff's Office does plan to expand this effort to include the recycling of paper and plastics once final arrangements have been made with Monroe County Waste Management. Stand by for more information.

Thank you and think recycle!

Thanks for the support

On behalf of my family we wanted to express our sincere appreciation to all of you who have keep us in your prayers over this past week, and we wanted to again say thank you for your cards, your phone calls, the donations of food, gift certificates, money, and your support. My dad truly loved his job and we know that he's now patrolling the heavens with the angels in his patrol truck.

Again, thank you for being you.

MCSO.Net gets better and better

You may have noticed, as you use our Office Intranet (mcso.net) that Webmaster Steve Heitman, aka "The Closetmeister" continues his efforts to make the site more useful and more fun! Recently, he added a feature where users can pick the theme colors of their favorite sports team and apply that theme to their mcso.net page. Check the bottom of the home page and you will see team logos. Pick your favorite, click on it then click the button that says "Make this my theme".

Good work, Steve!
