Sheriff's Office Weekly Rap-Up

Editor's Note: The Sheriff's Office Weekly Rap-Up comes out on Friday afternoon, and includes any announcements, important messages, or not so important messages that employees of the Sheriff's Office would like to communicate to the rest of the agency. If you have something you would like to get out to everyone in the agency, please send it to me and I will be happy to include it in the Weekly Rap Up. Send it to my email at beckyherrin@keysso.net, or in the courier to Deputy Becky Herrin, Community Relations Division, Headquarters building on Stock Island.

Don't forget to also check Public Folders, including the "Announcements" Folder and the folder labeled "Community Relations" for more information and for upcoming events.

Happy Birthday next week!

Nexium Savings Card!!! News from the Hunt Insurance Group.

We hope that this information is helpful to you. Please feel free to forward this e-mail to your employees. Nexium is one of the most prescribed prescription drugs currently on the market. Fortunately, there may be a little financial relief for some in the way of the Purple Plus Savings Card. Nexium users that do have prescription coverage as well as those who do not have prescription coverage may be eligible to use the card to save money on their refills. Card holders will receive a variety of information by mail and by e-mail. They will also have access to online tools that may be very helpful to those living with acid reflux disease. Please copy and paste the link below in your browser to go to the site where you can register and read more about the card. Please note that there is also an FAQ section in the site that can help answer any questions you may have.

Note from Detective Linda Mixon:

If you visit our intranet, at www.mcso.net (only accessible when you are logged on to our network), you will see a link to "local offenders". I have started taking photos of all the sex offenders in the county, along with information about their homes and vehicles. I will be updating this information on a regular basis and will continue to post the information in this location.

I wanted everyone to have a quick and easy way to find this information. If anyone wants me to add anything to this, call me at 305-797-0089.
