### New Dental Clinic in Key West

Rural Health Network of Monroe County FL, Inc. now has two county-wide locations to serve the community's oral health care needs, providing a total of 90 hours of service each week. Currently we have four dentists, a hygienist, four dental assistants and a complement of support staff in our dental clinics. We are anticipating opening on Saturdays in the near future. Our goal is to provide a high level of service to affordable care, with greater access.

The original clinic is located in Marathon, at 2901, Unit 2, Overseas Highway. For information or appointments to the Middle Keys clinic, call 305-289-8915. Its hours of operation are: 8am-6pm Monday-Friday, providing 45 hour access each week.

The new clinic is located in Key West, at 1010 Kennedy Drive, Suite 307. Its hours of operation are: 8am-6pm Monday-Friday. It will provide 45 hours access each week to the Key West and Lower Keys community. It consists of a full staff, state-of-the-art digital x-ray equipment, and electronic medical records. For information call; 305-394-4984 or 305-289-8917. For appointments call 305-394-4984.

Both clinics operate on a sliding fee scale, requiring a verification of combined household income, either in the form of Income Tax Returns, W2 forms, or the past four employment pay stubs. To qualify for the sliding fee scale these forms must be provided. Anyone can make an appointment at either clinic. Without proof of household income our standard rates apply (which are still affordable).

The new clinic takes *Care Credit* and insurance from a multitude of dental providers. Care Credit, available to those that apply, allows for dental work to be applied to a credit card providing interest free service for a 12 month term (or less). After the 12 months, a low interest rate applies. Dental insurance, from an assortment of providers, is available to the non-profit community and local government employees.

Rural Health Network is still here to serve our community, as we have been since 1993. We hope that you will support our efforts by supporting our two dental clinics with your referrals and with a chance to serve you and your agency or group. We welcome the Non-Profit administrators, as well as County and City officials to stop by and visit our new Key West location.
