Box tops for school

My son is a new Kindergartener at Sugarloaf Elementary School. And as you know, our school system isn't as wealthy as we'd like. Classrooms and special classes (Art, P.E., etc) all need to be sponsored and teachers accept all donations. Well, both Box Tops for Education and Labels for Education (Campbell's products) say that if you save their little box tops and labels and your school submits them, General Mills and Campbell's will give money and products to the schools. If you need to check this out to verify it's not a scam... www.boxtops4education.com and www.labelsforeducation.com will answer your questions.

If you don't already save these box tops and labels for your own child or children, please cut them out and send them through the courier to Michelle Rabinowitz, in Communications. This is an ongoing program and I will accept either the box tops or the labels at any time. Thank you all for your help.

Fundraiser for William Holliman's kids

On August 24th, 2007 Deputy William Holliman was killed in a motorcycle accident on his way home in Homestead, Florida. Deputy William Holliman was a seven-year veteran of the Monroe County Sheriff's Office and will be missed by all. Profits raised from this event will go to Frankie Arencibia Jr. of Key West. Frankie is ten years old and had been going through cancer treatments but is making progress. Over the time, medical bills have piled up and in the name of Deputy William Holliman we would like to help out.

Last year we started and had a tremendous success with the William Holliman Memorial Fundraiser. Most would remember dunking their favorite cop, politician, and talk show radio host in the dunk tank. (or maybe that was their least favorite!) Again profits raised from this year's event will also go to William Holliman's children's college fund. He had always hoped they would follow in his footsteps and attend college. We will attempt to keep his dream alive and donate to this cause.

On October 4th from 12-5pm at Boondocks Grille and Draft House at MM 27.5, we hope the community comes together for this great cause. There will be live entertainment, food and beverages, mini-golf, raffles, silent auctions, and see some of your finest Deputies in action as they will conduct live demonstrations.

A raffle drawing will be held and the grand prize will be two-tickets to the Super Bowl in Tampa. With football season already here, we are giving the tickets of a lifetime away. Tickets will be on sale for ten dollars, you do not need to be present to win. Silent auctions will also be a hit with something for everyone. 100% of all profits will be donated to the causes above.

We hope to see you there!!!!
