VISITATION RULES

Revised 7/8/11

1. Valid photo ID is required to visit an inmate (i.e., Drivers License or State ID Card).
2. NO personal items of any kind (e.g., pen/pencil, paper, pictures, wallets, money, baby strollers, etc.) are allowed in the visitation area except items needed for a physical disability (e.g., crutches, canes, walkers, wheelchairs, hearing aid, etc.). A blanket and baby bottle will be allowed for infants under one year old. **ALL PERSONAL PROPERTY** will be secured in your vehicle or a locker in the lobby (lockers are .25 cents).
3. Trusties that are working, inmates that are attending a program, inmates visiting attorneys, or inmates in a JIP class will not be removed for visitation. It is the inmate's responsibility to inform their visitor of their work, class, and programs schedules.
4. Visitors are permitted to visit a maximum of three different inmates per visitation day. A visitor shall not be allowed to visit the same inmate more than once per day. Inmates will be allowed a maximum of three visits per day. Visitors will NOT be allowed to sign in to see multiple inmates at one time. Visitors requesting to see inmates must:
 - A. Sign in at reception.
 - B. Length of visit: 30 minutes for locals; 45 minutes for visitors who live more than 50 miles away (Marathon north). NOTE: If there are excessive visitors for a particular visitation period, the length of visits may be cut short.
 - C. Return to the reception area and turn in your visitor identification tag and retrieve your ID.
 - D. If you want to see another inmate, get in line again and start the entire process over for each inmate you are requesting to visit

NOTE: Visitors shall only visit the inmate that they are signed in to visit. If you talk to another inmate during your visit, your visit will be terminated and your future visitation privileges might be temporarily or permanently suspended.

5. Persons with a no contact order, injunction, or restraining order will not visit any inmate who is named in the document. Victims may not visit any inmate who is named as the suspect in the victim's criminal case.
6. Visitors under the age of 18 need to be accompanied by their parent or legal (court appointed) guardian at all times while in the visitation area. The parent or legal guardian is responsible for the conduct, proof of age, and proof of relationship (**birth certificate with parents' names on it required on first visit**) of the child(ren). Court appointed guardians need to bring in the legal paperwork that names them as the child(ren) guardian on their first visit. Children under the age of 12 are not to be left alone.
 - A. If the parent or legal guardian refuses to visit an inmate, but has no problem with their child(ren) visiting an inmate, they must give written permission for the child(ren) to be brought in by a maximum of two other designated people. This written permission must be done in person to verify that it is the parent/guardian that writes the letter OR they may have this written permission notarized and the designated person must bring it in when the child(ren) visit. The child(ren) birth certificates must be brought in on the first visit.
 - B. The inmate can fill out a Visitation Authority for Son/Daughter form authorizing his/her child(ren) to be brought in by a maximum of two designated people in place of the mother/father/legal guardian of the child(ren). The designated person(s) may bring the child(ren) for visitation. The inmate will NOT be allowed to switch guardians. The child(ren) birth certificates must be brought in on the first visit. This form is not valid for anything but visitation at the Monroe County Detention Facilities and does not override court appointed guardians.
