STATE ROAD LANE CLOSURES

Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

Motorists are encouraged to call 511 before they drive or log on to www.fl511.com to get real-time traffic and lane closure information.

Please drive cautiously in work zones.

Please note that these schedules are tentative and could be impacted by bad weather or other unforeseen circumstances.

Miami-Dade County

U.S. 1 (S.R. 5) S.W. 344 Street to Mile Marker 115.94

One southbound and one northbound lane will be closed at the intersection of State Road 5 / U.S. 1 and SW 344th Street Monday through Friday February 15, 2010 through March 31, 2010. Work is scheduled for the non-peak daytime hours of 9:00 a.m. to 3:30 p.m. One

lane of traffic will be maintained at all times in either direction and access to businesses will be provided. Please note this schedule is tentative and may change due to bad weather and/or unforeseen circumstances.

Motorists are encouraged to call 511 before they drive, or log on to www.fl511.com to get real-time traffic and lane closure information. For more information, please contact Abbie Kelley at 305-481-1186 or via email at pbus1@bellsouth.net.

U.S. 1 (S.R. 5) Mile Markers 127 to 128

One northbound lane of U.S. 1 will be closed from Mile Marker (MM) 127 to MM 128 in Florida City, Monday through Friday February 15, 2010 through Friday, February 19, 2010. Work is scheduled for the non-peak daytime hours of 9:00 a.m. to 3:30 p.m. One lane of traffic will be maintained at all times and access to businesses will be provided. Please note this schedule is tentative and may change due to bad weather and/or unforeseen circumstances.

Motorists are encouraged to call 511 before they drive, or log on to www.fl511.com to get real-time traffic and lane closure information. For more information, please contact Abbie Kelley at 305-481-1186 or via email at pbus1@bellsouth.net.

U.S. 1 (S.R. 5) Mile Markers 121.32 to 124.35

There are no lane closures scheduled for this week.

Monroe County

SR 5 (U.S. 1/Overseas Hwy) - Grassy Key (MM 57.4 to MM 59.9)

Week of February 22, 2010

Lane closures are planned along the northbound and southbound lanes in order to accommodate road construction operations from Mile Marker, (MM) 57.4 to MM 59.9, between 9:00 p.m. to 6:00 a.m. In addition, travel lanes will be shifted and narrowed from 12 to 11 feet in some portions within the project limits. Please exercise caution and obey the reduced 45 MPH speed limit throughout the limits of the project.

Motorists are encouraged to call 511 before they drive or log on to www.fl511.com to get real-time traffic and lane closure information. For more information, please contact Will Thompson at 305-797-0962 or via email at will@QCAusa.com.

West Summerland Key at MM 34, and on Little Duck Key at MM 40

Week of February 22, 2010

During the re-construction project, the boat ramps and parking areas at Summerland Key, MM 34, and Little Duck Key, MM 40, will be closed. This project should in no way impact traffic on Overseas Highway / U.S. 1 / State Road (S.R.) 5. Work will mainly be concentrated in the area directly adjacent to the ramps. Starting Monday, February 15, 2010 to Friday, February 19, 2010, both boat ramps will be closed for installation

of parking asphalt. To find the locations of alternative public boat ramps in this area, please visit:

http://www.monroecounty-fl.gov/pages/MonroeCoFL_MarineRes/PublicBoatRamps.pdf

Motorists are encouraged to call 511 before they drive or log on to www.fl511.com to get real-time traffic and lane closure information. For more information, please contact Will Thompson at 305-797-0962 or via email at will@QCAusa.com.

SR 5 (US 1/Overseas Hwy) Hurricane Wilma Repairs at MM 5.310 to 31.50

Week of February 22, 2010

No lane shifts are expected Monday, February 15, 2010 to Friday, February 19, 2010, from MM 5.310 to MM 31.50. Please exercise caution and obey the reduced 45 MPH speed limit throughout the limits of the project. Motorists are encouraged to call 511 before they drive or log on to www.fl511.com to get real-time traffic and lane closure information. For more information, please contact Will Thompson at 305-797-0962 or via email at will@QCAusa.com.

State Road 5 (U.S. 1)

The lanes on U.S. 1 from mile marker 77.5 to mile marker 78.5 will be shifted daily, from 8:15 a.m. to 4:45 p.m., March 2, 2010 and March 3, 2010. Florida Keys Aqueduct Authority crews will be performing utility work.

The lanes on U.S. 1 at mile marker 73 (Channel Two Bridge) are shifted Monday through Friday, from 7:00 a.m. to 5:00 p.m., through February 26, 2010. Florida Keys Aqueduct Authority crews are performing utility work.
