## **STATE ROAD LANE CLOSURES**

**Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.**

**Motorists are encouraged to call 511 before they drive or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information.**

**Please drive cautiously in work zones.**

*Please note that these schedules are tentative and could be impacted by bad weather or other unforeseen circumstances.*

### **Miami-Dade County**

#### **U.S. 1 (S.R. 5) Mile Markers 127 to 128**

One northbound lane of U.S. 1 will be closed from Mile Marker (MM) 127 to MM 128 in Florida City, Monday through Friday November 9, 2009 through Friday, January 29, 2010. Work is scheduled for the non-peak daytime hours of 9:00 a.m. to 3:30 p.m. One lane of traffic will be maintained at all times and access to businesses will be provided. Please note this schedule is tentative and may change due to bad weather and/or unforeseen circumstances.

Motorists are encouraged to call 511 before they drive, or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. For more information, please contact Abbie Kelley at 305-481-1186 or via email at [pbus1@bellsouth.net](mailto:pbus1@bellsouth.net).

### **U.S. 1 (S.R. 5) - Mile Markers 121.5 to 124.75**

There are no lane closures scheduled for this week.

Motorists are encouraged to call 511 before they drive, or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. For more information, please contact Abbie Kelley at 305-481-1186 or via email at [pbus1@bellsouth.net](mailto:pbus1@bellsouth.net).

## **Monroe County**

### **SR 5 (U.S. 1/Overseas Hwy) - Channel 2 Bridge (MM 72.6 to MM 73.1)**

#### **Week of November 16, 2009**

No lane closures or shifts are anticipated during the week. However, the northbound shoulder approaching the Channel 2 Bridge will be closed to allow for construction of electrical power to the bridge. Motorists are encouraged to call 511 before they drive or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. For more information, please contact Will Thompson at 305-797-0962 or via email at [will@QCAusa.com](mailto:will@QCAusa.com).

### **SR 5 (U.S. 1/Overseas Hwy) - Grassy Key (MM 57.4 to MM 59.9)**

#### **Week of November 16, 2009**

There will be one lane closed during the paving operations between MM 57.4 through MM 59.9. Paving operations are projected to start on Monday, November 16, and continue through Thursday, November 19 between 8:00 p.m. and 6:00 a.m. In addition, travel lanes have been shifted to the north side of the road and narrowed from 12 to 11 feet in some portions within the project limits. Trained flaggers and law enforcement officers will direct motorists through the work zone as necessary. Please exercise caution and obey the reduced 45 MPH speed limit throughout the limits of the project. Motorists are encouraged to call 511 before they drive or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. For more information, please contact Will Thompson at 305-797-0962 or via email at [will@QCAusa.com](mailto:will@QCAusa.com).

### **West Summerland Key at MM 34, and on Little Duck Key at MM 40**

#### **Week of November 16, 2009**

During the re-construction project, the boat ramps and parking areas at Summerland Key, MM 34, and Little Duck Key, MM 40, will be closed. This project should in no way impact traffic on Overseas Highway / U.S. 1 / State Road (S.R.) 5. Work will mainly be concentrated in the area directly adjacent to the ramps. To find the locations of alternative public boat ramps in this area, please visit:

[http://www.monroecounty-fl.gov/pages/MonroeCoFL\\_MarineRes/PublicBoatRamps.pdf](http://www.monroecounty-fl.gov/pages/MonroeCoFL_MarineRes/PublicBoatRamps.pdf)

Motorists are encouraged to call 511 before they drive or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. For more information, please contact Will Thompson at 305-797-0962 or via email at [will@QCAusa.com](mailto:will@QCAusa.com).

**SR 5 (US 1/Overseas Hwy) Hurricane Wilma Repairs at MM 10.873 to MM 10.962**

**Week of November 16, 2009**

Lane shifts are expected on a daily basis between MM 10.873 and MM 10.962, on Monday, November 16 thru Friday, November 20 along both the southbound and northbound lanes. Please obey the speed limit. Motorists are encouraged to call 511 before they drive or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. For more information, please contact Will Thompson at 305-797-0962 or via email at [will@QCAusa.com](mailto:will@QCAusa.com).

**State Road 5 (U.S. 1)**

One southbound lane on U.S. 1 from mile marker 110 to mile marker 112 is closed Monday through Friday, from 7:00 a.m. to 4:30 p.m., through November 20, 2009.

One northbound lane or one southbound lane on U.S. 1 from mile marker 53.3 to mile marker 54.3 will be closed Sunday through Thursday, from 8:30 p.m. to 5:00 a.m., November 12, 2009 through January 28, 2010.

One northbound lane or one southbound lane on U.S. 1 from mile marker 53.3 to mile marker 54.3 will be closed Monday through Friday, from 9:00 a.m. to 4:00 p.m., November 12, 2009 through January 29, 2010.

One northbound lane and one southbound lane on U.S. 1 from mile marker 47.5 to mile marker 49.2 are closed Monday through Friday, from 9:00 a.m. to 4:00 p.m., through December 4, 2009.
