	CHAPTER: Segregation Confinement and Disciplinary	 <hr/> Sheriff of Monroe County
	TOPIC: Administrative Segregation Confinement and Protective Custody	

PURPOSE:

The purpose of this directive is to establish policy for the Monroe County Detention Facilities to establish policies governing inmates housed in administrative segregation or protective custody.

Inmates shall be placed in administrative segregation for purposes of protective custody only when there is documentation that protective custody is warranted and no reasonable alternatives are available.

The Classification Committee shall meet once per week to review the status of each inmate in administrative segregation or protective custody to determine when an inmate should be released from segregation.

SCOPE:

This directive applies to all Certified Deputies.

PERSON RESPONSIBLE:

Classification Supervisor and Shift Supervisors.

DEFINITIONS:

Administrative Segregation - Placement of an inmate in housing separate from the general population when ordered by the Classification Division or other authorized persons. Administrative Segregation may occur when the continued presence of an inmate in the general population would pose a serious threat to property, self, staff, other inmates, or to the security or orderly operation of the facility.

Protective Custody - A form of administrative segregation for inmates requesting or requiring protection from other inmates for reasons of health or safety (e.g., informant, state witness, ex-law enforcement deputy).

Immediate Control and Supervision - It is determined that the inmates constitute a threat to themselves, to others, or to the safety and security of the detention facility.

POLICY AND PROCEDURES:

Inmates under administrative segregation and protective custody will be placed in segregation units in order to properly and safely supervise them.

Inmates in administrative segregation and/or protective custody shall be checked daily by the

Medical Staff. [ALDF-2A-45]

Inmates in administrative segregation or protective custody shall be required to shower twice weekly.

All inmates placed in administrative segregation or protective custody shall be afforded the same basic rights, privileges, services, and participation in facility programs. These programs must be comparable to those available to the general population within the limits of their imposed segregation unless security requirements dictate otherwise. (See BOC 4:002 "Segregated Inmates; Rights, Privileges, and Access to Programs and Services" written directive for a detailed listing.) [FCAC 12.03]

Pregnant inmates will not be placed on Administrative or Protective Custody segregation unless there is no less restrict means possible. If it is determined that there is no other alternative an incident report will be written that will include reasoning, why there is no other alternative, and if medical objected. A copy of the report will be provided to the pregnant inmate within 12 hours.

Pregnant inmates in a restrictive housing setting will be seen by a qualified health care official once every 12 (twelve) hours. Medical will implement a treatment plan to assure all medical needs are met. If a pregnant inmate needs medical care, a primary care nurse practitioner or obstetrician must provide an order for the inmate to be placed in sickbay. If the pregnant inmate has passed her due date, she must be placed in sickbay until labor begins.

Anytime an Immigration and Customs Enforcement (ICE) Detainee stays in administrative segregation more than 30 days, Classification shall inform the Operations Commander. The Operations Commander/designee shall then notify the ICE officer-in-charge.

Protective Custody Justification

Inmates that require protection from other inmates (e.g., informant, ex-law enforcement deputy, state witness) may be placed in immediate protective custody by the

Operations/Site Commander, Shift Lieutenant/Sergeant, Unit/Dorm Deputy, or the Classification Division when deemed necessary.

Inmates may request in writing to be placed in protective custody for protection from other inmates or for other personal reasons.

The Classification Division will then evaluate the inmate's request for possible alternatives.

Inmates who were placed in protective custody at their own request, and who later request to be placed back in general population, will remain in protective custody if the Classification Division determines that the original reason for protective custody still exists.

NOTE: Inmates shall be placed in protective custody only when there is documentation that protective custody is warranted and no reasonable alternatives are available. [ALDF-2A-46]

An Incident Report must be forwarded to the Inmate Services Sergeant via the chain-of-command for all of the above reasons. A copy of the Incident Report will be forwarded to the Classification Division.

Administrative Segregation Justification [FCAC 12.02]

The Operations/Site Commander, Shift Lieutenant/ Sergeant, Unit/Dorm Deputy, or the Classification Division may order immediate administrative segregation when it is necessary to protect the inmate or others, or when the inmate: [ALDF-2A-44] [CORE-2A-21]

- Exhibits anti-social or hostile behavior toward others
- Is a demonstrated escape risk
- Is pending an investigation or hearing for a rule violation
- Is a death row inmate temporarily housed at a county facility
- Is an informant, state witness, present or ex-law enforcement officer, correction officer,

probation officer, assistant state attorney, assistant public defender, etc.

Inmates may be placed in administrative segregation for the purpose of ensuring immediate control and supervision when it is determined they constitute a threat to themselves, to others, or to the safety and security of the detention facility.

Each such action shall be followed by a Disciplinary Report and formal disciplinary proceedings if applicable.

NOTE: An Incident Report must be forwarded to the Inmate Services Sergeant via the chain-of-command for all of the above reasons. A copy of the Incident Report will be forwarded to the Classification Division. [FCAC 12.02]

Each case shall be reviewed within 72 hours by a Lieutenant. [ALDF-2A-44] [CORE-2A-21] The review shall include an interview with the ICE Detainee to determine if segregation is still warranted. A written record shall be made of the decision and sent to the Classification Division. The detainee shall be given a copy of the decision. [PBNDS 2.12]

A Lieutenant shall conduct an identical review every seven days that an ICE Detainee remains in administrative segregation for the first 30 days and every 10 days thereafter. A copy will be given to the detainee. [PBNDS 2.12]

Administrative Segregation and Protective Custody Status Review

The Classification Committee is comprised of, at a minimum, the Classification Supervisor, the Operations Commander/designee, and a representative of the Medical Staff.

The committee shall meet weekly to review all matters relating to an inmate's/detainees initial placement in segregation to determine if:

The committee shall meet weekly to review all matters relating to the status of an inmate's/detainees initial placement in administrative segregation or protective custody to determine if: [ALDF-2A-48]

- The reason for initial placement is still valid
- A change in the inmate's/detainees behavior and mental attitude warrants release from segregation
- A change in the inmate's/detainees medical evaluation no longer warrants segregation

The Classification Committee will also review the inmate's file for:

- Any Incident or Disciplinary Reports submitted since the inmate's/detainees placement in segregation
- Any pertinent information supplied by staff members
- Letters or request slips submitted by the inmate/detainee

The Operations Commander will be responsible for setting the actual time for the committee to meet.

After an ICE Detainee has been in segregation for seven consecutive days, the ICE Detainee has the right to appeal the decisions regarding their segregation status to the Operations Commander.

An ICE Detainee who has been segregated from the general population for more than 30 days may write an inmate request to the Operations Commander objecting to the administrative segregation.

The Operations Commander must review the request and send a written decision to the ICE Detainee with a copy maintained in his or her Classification Folder.

Administrative Segregation and Protective Custody Review Process for Release

Before inmates are released from segregation, a full review of the inmate's file shall be conducted by the Classification Committee to determine if the aforementioned factors warrant the inmate's release from segregation. [ALDF-2A-49]

Should it be determined that the initial reasons

for placement in segregation no longer exist, the Classification Committee shall recommend the inmate's return to general population.

All releases from segregation shall be documented to include dates, times, reasons for releases, and the releasing authorities. [FCAC 12.02]

When the Lieutenant (reviewing authority) concludes that the ICE Detainee should be removed from administrative segregation, he/she shall submit that recommendation to the Operations Commander/designee in writing for approval. The detainee shall be given a copy of the decision. [PBNDS 2.12]

Inmates in segregation shall have access to the Law Library by submitting an Inmate Request Form to the Programs Services Division requesting to visit the Law Library. [FCAC 12.03]

PURPOSE:

The purpose of this directive is to establish policy for the Monroe County Detention Facilities to establish policies governing inmates housed in disciplinary segregation. Inmates shall be placed in disciplinary segregation for a rule violation only after a hearing by the Inmate Disciplinary Committee. [ALDF-2A-47]

SCOPE:

This directive applies to all Certified Personnel.

PERSON RESPONSIBLE:

Classification Supervisor and Shift Supervisors.

DEFINITIONS:

Disciplinary Segregation - A form of separation from the general population in which inmates committing serious violations of conduct regulations are segregated by the Inmate Disciplinary Committee/Hearing Deputy for short periods of time to individual cells separate from the general population. Placement in disciplinary segregation may only occur after a finding of a rule violation at an impartial hearing and when there is no adequate alternative disposition to regulate the inmate's behavior. [CORE-3A-01]

Pending Disciplinary Hearing - An inmate(s) who violated a rule infraction and is placed in a segregated cell pending his or her disciplinary hearing outcome.

POLICY AND PROCEDURES:

Segregated unit(s) will be provided for the supervision of inmates under disciplinary segregation.

The Inmate Disciplinary Committee/Hearing Deputy may place inmates in disciplinary segregation only after an impartial hearing has been conducted and when other available alternatives are inadequate to regulate an inmate's behavior within acceptable limits.

- If an inmate pleads guilty when they are served with the Disciplinary Report (DR), their lockdown time will begin that date.
- If an inmate is found guilty at a DR hearing, their lockdown time will begin on the day of the DR hearing.

Inmates may be placed in disciplinary segregation for no more than the Disciplinary Segregation Guidelines allow per violation arising out of one incident. Lockdown time can run consecutively.

Disciplinary segregation time will only count while in lockdown in a recognized lockdown cell. If an inmate goes to sickbay for any reason, the

time they spend in sickbay will not count towards their lockdown time. Once the inmate is released from sickbay, they will be returned to a recognized lockdown cell to complete their disciplinary segregation time. If the DR hearing is held in the sickbay, the lockdown time will not start until the inmate is released from the sickbay and placed back on lockdown status. Lockdown time will also be stopped for any other type of time the inmate spent away from a recognized lockdown cell.

Loss of privileges will be determined by the Inmate Disciplinary Committee/Hearing Deputy.

NOTE: An Incident Report must be forwarded to the Inmate Services Sergeant via the chain-of-command for all of the above reasons.

Inmates shall be checked daily by Medical Staff.
[ALDF-2A-45]

Inmates shall be required to shower twice weekly.

Pregnant inmates will not be placed in segregation without approval from a Sergeant or above. If there are no less restrictive reasons other than segregation a report will be generated. The report will include reasoning why there is no other alternative and if medical objected. The pregnant inmate will receive a copy within 12 hours.

The Classification Supervisor shall conduct a review, to include an interview, every 7 days of any ICE Detainee that is placed under Disciplinary Segregation to determine if segregation is warranted. A written record shall be made of the decision and placed in the detainee's file. The detainee shall be given a copy of the decision. [PBNDS 2.12]

Note: For ICE Detainees after the first 30 days of disciplinary segregation, and each 30 days thereafter, the Operations Commander shall review the detainee's status to determine if disciplinary segregation is warranted. The Operations Commander will send a written justification for the continued segregation to the Field Office Director.

A hearing will be held as soon as possible after the alleged violation(s), but no later than five working days after the incident. For the purpose of this rule, "working days" shall mean Monday-Friday, excluding holidays. [FCAC 11.06b] [ALDF-6C-09]

There may be times, due to extenuating circumstances (e.g., hurricane), when the hearing cannot be held within five working days of the incident. [FCAC 11.06b]

If this occurs, the circumstances regarding the postponement or continuance must be fully documented and approved by the officer-in-charge.

Under no circumstance may the hearing be postponed beyond ten working days after the incident. [FCAC 11.06b]

Chairperson's Responsibility

When the inmate charged with the violation(s) appears before the committee, the chairperson will:

- Introduce the committee
- Determine if the inmate understands the charge(s), the hearing procedure, and the possible penalties if found in violation of the charge. [FCAC 11.06c]
- Offer assistance to the inmate if he or she is unable to defend himself or herself due to disability, language barrier, literacy problems, or cannot properly understand the charge(s) against him/her. [FCAC 11.06d] [ALDF-6C-13]
- Read the report aloud for the benefit of all present.
- Ask the inmate how he or she wishes to

plead to the charge(s):

- A plea of "Guilty" will not require any further evidence to be heard.
- A plea of "Not Guilty" will require the hearing to proceed.
- A refusal to plea shall be treated as a "Not Guilty" plea.
- A plea of "Nolo Contendere" shall be treated as a "Guilty" plea.
- Ask the inmate if he or she would like to explain the circumstances or make a statement. [ALDF-6C-12]
- Continue the hearing to resolve questionable testimony, if necessary.
- Call for supporting documents, evidence, or relevant witnesses, if indicated. [FCAC 11.07] [ALDF-6C-12]
- Inmates are allowed to be present at their disciplinary hearing unless a written waiver is obtained waiving their right to attend, the inmate refuses, security is threatened, or their behavior justifies their removal from the hearing (e.g., violent, aggressive, abusive language). Proceed with the hearing in the inmate's absence. [FCAC 11.08] [ALDF-6C-08] [CORE-6C-04]
- Ensure that any deviations from the established format are documented (e.g., removal, absence, or exclusion of inmate from hearing, interpreter present). [FCAC 11.08] [ALDF-6C-08] [CORE-6C-04]
- If the inmate requested witnesses during the investigation and they were not called by the chairperson, or if information or evidence was restricted, an explanation must be included in the findings. [FCAC 11.07] [ALDF-6C-12]

When all questions are resolved, the inmate charged with the violation(s) and all others will be dismissed to allow the committee members an opportunity to deliberate.

The committee must determine if the inmate is

or is not in violation of the Rules of Prohibited Conduct as charged and agree upon the recommended penalty.

The decision of guilt shall be based solely on witnesses, evidence (including video tape), and documentation, including staff reports, presented at the hearing with a statement to that effect made part of the official hearing record. [FCAC 11.10] [ALDF-6C-14 and 6C-15]

The penalty will not exceed the Disciplinary Committee (D.C.) Guidelines (see attachment 1).

- All committee members must use the D.C. Guidelines as the sentence for an inmate found guilty of a charge.
- As warranted, recommendations will be made to the Operations Commander requesting consideration of a reduced sentence based on the individual circumstances of the case.
- Only the Operations Commander can reduce a sentence below the guidelines' sentence.
- If property was damaged, stolen, or destroyed, the Disciplinary Committee/Hearing Deputy can also recommend reimbursement from the inmate as part of the sentencing. This recommendation must be spelled out including the dollar amount the inmate needs to reimburse.
- Inmates shall not be sentenced to the following sanctions due to disciplinary reasons:
 - Corporal punishment [FCAC 11.12]
 - Deviations from normal food service
 - Clothing deprivation
 - Bedding deprivation
 - Denial of personal hygiene items
 - Loss of correspondence privileges, or
 - Deprivation of the inmate's minimum

three hours per week of outdoor exercise.

Disciplinary Committee Findings [ALDF-6C-15]

In stating the findings, the committee must specify the evidence, witnesses, and documentation they relied upon in reaching a decision. [FCAC 11.10]

The findings will be recorded in Section III of the Disciplinary Report. [FCAC 11.06e]

"Not Guilty" Finding

If the inmate is found "not guilty", or if the charge is dismissed, all reports shall be so noted.

"Guilty" Finding [ALDF-3A-01] [CORE-3A-01]

There is a sanctioning schedule (i.e., D.C. Guidelines) for rule violations. The maximum sanction for rule violations is no more than 30 days of lockdown for all violations arising out of one incident. Continuous segregation for more than 30 days requires the review and approval of the facility administrator or designee. [ALDF-2A-50]

The committee will sentence the inmate to the loss of the following as per the D.C. Guidelines:

- Days of lockdown
- Days of gain time
- Days of visitation including additional loss to be completed after initial lockdown time

NOTE: ICE Detainees shall retain visiting privileges while in Special Management (Disciplinary Segregation) and once released back into general population. [PBNDs 2008, 2.12]

If a loss of gain time is recommended per the D.C. Guidelines, the number of days to be forfeited will be noted and the expiration of sentence date adjusted on all records.

While in disciplinary segregation, the inmates

lose the following privileges:

- Phone (except to access legal counsel and for family emergencies as determined by the facility administrator or designee) [ALDF-2A-65]
- Law Library (except for pro se inmates)
- Canteen
- Programs

The committee cannot sentence an inmate to corporal punishment. [FCAC 11.12]

If an inmate is found guilty of an alleged rule violation, the disciplinary report, including the disciplinary hearing's decision and supporting documents, will be maintained in the inmate's classification file. [ALDF-6C-15]

An inmate's sanction cannot be increased after a decision has been made by the disciplinary committee. [FCAC 11.11]

Probation

If the inmate is found guilty from the disciplinary committee, the Support Services Lieutenant / designee may place an inmate/detainee on probation.

The inmate/detainee will serve their probation in general population.

If the inmate/detainee receives a minor infraction ticket or is found guilty of any infraction (minor infraction, rules of prohibited conduct, or criminal offense) during their probation period, they will be placed into disciplinary segregation to serve the entire infraction time of the original offense they were placed onto probation for.

The Bureau Commander can override any decision made to place or not place the inmate/detainee on probation.

Inmate's Disposition Copy

After the report is signed by all committee members, the inmate will be called back in and

informed of the decision. The inmate's disposition copy shall be given to the inmate at the disciplinary hearing. [FCAC 11.06e] The paperwork will then be forwarded to the Support Services Lieutenant within 24 hours of the hearing.

Right of Inmate to Appeal Decision

The inmate will be informed of the committee's decision and recommendation, and if found "in violation", it is his or her right to appeal the decision within five days to the Support Services Captain by submitting an Inmate Request Form. [FCAC 11.09]

Lieutenant's Review

The Support Services Lieutenant shall review all disciplinary hearings and dispositions to assure conformity with policy and regulations and approve, disapprove, or reduce the sentence. [ALDF-6C-17]

The Support Services Lieutenant shall forward the final disposition to the Classification Division.

Classification Division's Responsibility

The Classification Division will initiate appropriate paperwork for:

- Reclassification of the inmate, if applicable
- Adjustment of the inmate's tentative release date, if applicable

Distribution of Disciplinary Report

The distribution of a Disciplinary Report will be as follows:

- White copy (Original) - Disciplinary report file
- Yellow copy - Classification (Classification files are maintained for a minimum of one year after inmate's release.) [ALDF-6C-11] [CORE-6C-03]
- Pink copy - Inmate's Disposition (Is given to the inmate by the Disciplinary Committee

after the hearing.) [ALDF-6C-15]

- Goldenrod copy - Inmate's Service Copy (Is given to inmate at time of service.)

Inmate Appeals [ALDF-6C-18] [CORE-6C-04]

Inmates may appeal the decision of the disciplinary committee to the Support Services Lieutenant. [FCAC 11.09]

Upon receipt of an Inmate Request Form for an appeal, the Support Services Lieutenant will:

- Compile all information concerning the Disciplinary Report.
- Review all paperwork.
- If any questions arise after review, investigate questions.
- Render a decision on appeal. The decision to affirm or reverse the decision of the disciplinary hearing committee must be within 15 days of the appeal.
- Document all action taken during the appeal process on the inmate's appeal request.

POLICY AND PROCEDURES:

Reporting Violation of Rules

If a deputy or employee witnesses or has reason to believe a violation of the rules has been committed by an inmate, and if the deputy/employee determines that the violation can be disposed of without a formal Disciplinary Report, the deputy/employee will take the necessary steps to resolve the issue.

The deputy/employee may reprimand the inmate through verbal counseling or by issuing a Minor Infraction Warning.

Minor Infraction Warnings will be documented in the inmate's file.

If a rule violation requires formal resolution because the deputy/employee cannot resolve the issue through verbal counseling or by the issuance of a Minor Infraction Warning, the deputy/employee will follow through with a written Disciplinary Report and forward it to his or her supervisor for review. [ALDF-6C-03] [CORE-6C-02]

All inmates who are charged with a rule violation will be placed on PDR (i.e., pre-disciplinary report hearing segregation). [ALDF-6C-06]

Criminal Offenses [ALDF-3A-02]

If the rule violation is also a criminal offense, the deputy/employee will still follow through with a written Disciplinary Report.

The Shift Sergeant or Shift Lieutenant will make the decision on pursuing outside charge(s) in addition to the Disciplinary Report.

NOTE: Before a Federal Inmate/ICE detainee can be charged with outside charges, the United States Marshals/ICE must be notified by the Operations Commander/designee.

deputy/employee.

Where multiple charges are involved, a separate Disciplinary Report will be written for each charge. The Shift Supervisor shall review the Disciplinary Report for accuracy and completeness and approve it, if applicable.

Should a Disciplinary Report be disapproved by the Shift Supervisor, all person(s) concerned will be notified as to the reasons for the disapproval.

A copy of the Disciplinary Report shall be attached to the original Incident Report and forwarded through the chain-of-command to the Operations Commander which is the Jail Administrator's designee. Deputies/employees will make a copy of the Incident Report and attached it to the original Disciplinary Report. Data sheets of all inmates involved in the incident will be included. [FCAC 11.04]

Delivery of Charge(s)

The inmate must be given at least twenty-four (24) hours from the time the charge(s) are delivered to prepare for the disciplinary hearing. [FCAC 11.06a] [ALDF-6C-07 and 6C-09] [CORE-6C-03]

The inmate may waive the twenty-four (24) hour waiting period. The waiver will be signed by the inmate and witnessed by a deputy. [FCAC 11.06a] [ALDF-6C-07] [CORE-6C-03]

The deputy delivering the charge(s) shall ensure that the inmate understands the charge(s). If the inmate cannot read, the deputy will read the charge(s) to the inmate. The deputy will record the date and time the charge(s) is delivered. [FCAC 11.06a]

The inmate may waive the right to be present at the hearing. In this case, the waiver should be signed by the inmate, witnessed by a deputy, and reviewed by the Shift Supervisor.

If the inmate wants to plead guilty at the time the Disciplinary Report is served, the investigating deputy must complete the service as follows in order to avoid delays:

- Indicate that the inmate waives his 24-hour notice (check yes).

- Indicate that the inmate does not wish to be present at the hearing (circle DO NOT).
- Write on the Disciplinary Investigative Report in the inmate statement area that the inmate pleads guilty.

The delivery of charges must be served to the inmate within 48 hours of the inmate being placed in lockdown. Extension on the 48 hour time limit will only be granted for emergency situations. The inmate will be handed the inmate's service copy of the Disciplinary Report at this time. [ALDF-6C-07] [CORE-6C-03]

Investigation of Charge(s) [FCAC 11.05]

Upon receipt of the Disciplinary Report, the Shift Supervisor will then forward the Disciplinary Report to the deputy designated to investigate the charge(s).

The investigating deputy will begin the investigation within 24 hours of the time the violation is reported. [ALDF-6C-05]

The investigating deputy shall complete the Disciplinary Investigative Report by obtaining the inmate's version of the offense.

The investigating deputy will also contact any other staff members, volunteers, or inmates who may have information pertaining to the allegation of the charge(s). [FCAC 11.04] [ALDF-6C-13]

The inmate shall be asked if he or she has any material witnesses to speak on his or her behalf. If so, the investigating deputy will interview both inmate and staff witnesses. If they are not contacted, the reasons why must be stated in the report. [FCAC 11.04] [ALDF-6C-13]

The investigating deputy shall not offer opinions of guilt or innocence.

Shift Sergeant's Responsibilities

The facility administrator has designated to the

Shift Sergeant the responsibility of reviewing the inmate's pre-hearing status within 72 hours of the incident, including weekends and holidays. The Shift Sergeant will ensure the pre-hearing detention of an inmate charged with a rule violation is justified. If there is no Shift Sergeant on duty, the Shift Lieutenant shall do this. [ALDF-6C-06]

The Shift Sergeant shall ensure that all blocks are completed correctly.

Once all information is complete and accurate, the Shift Sergeant will submit all documentation (e.g., original Disciplinary Report, original Investigative Report, a copy of the Incident Report, and any other pertinent documentation) to the Inmate Services Sergeant via their Shift Lieutenant to conduct the hearing. [FCAC 11.05]

	TOPIC: Disciplinary System-ICE Detainees	

[PBNDS 2011 Section 3.1]

PURPOSE:

The purpose of this directive is to establish policy for the Monroe County Detention Facilities to establish and promote a safe and orderly living environment for detainees by establishing a fair and equitable disciplinary system, requiring detainees to comply with facility rules and regulations, and imposing disciplinary sanctions to those who do not comply.

SCOPE:

This directive applies to the Disciplinary Committee/Hearing Deputy, Classification, and the Operations Commander.

PERSON RESPONSIBLE:

Disciplinary Committee/Hearing Deputy and Classification Personnel.

POLICY AND PROCEDURES:

The expected outcomes of this detention standard are as follows:

- Detainees shall be informed of facility rules and regulations, prohibited acts, disciplinary sanctions that may be imposed, their rights in the disciplinary system and the procedure

for appealing disciplinary findings.

- The facility shall have graduated severity scales of prohibited acts and disciplinary consequences.
- Where permitted by facility policy, staff shall informally settle minor transgressions through mutual consent, whenever possible.
- Staff who have reason to suspect that a detainee has engaged in a prohibited act or who witness a prohibited act that cannot or should not be resolved informally, shall prepare a clear, concise and complete incident report.
- Each Incident Report shall be objectively and impartially investigated and reported, ordinarily by a person of supervisory rank.
- A serious incident that may constitute a criminal act shall be referred to the proper investigative agency as appropriate, and administrative investigations shall be suspended pending the outcome of that referral.
- At each step of the disciplinary and appeal process, the detainee shall be advised in writing of his/her rights in a language he/she understands, and translation or interpretation services shall be provided as

needed.

- If any staff at any stage of the disciplinary process has reason to believe that the detainee is mentally ill or mentally incompetent, the facility shall provide for an assessment by qualified medical personnel.
- A Unit Disciplinary Committee (UDC) shall further investigate and adjudicate the incident and may impose minor sanctions or refer the matter to a higher level disciplinary panel.
- An Institution Disciplinary Panel (IDP) shall conduct formal hearings on Incident Reports referred from UDCs and may impose higher level sanctions for "greatest" and "high" level prohibited acts.
- Detainees before the IDP shall be afforded a staff representative, upon request, or automatically if the detainee is illiterate, has limited English language skills or otherwise needs special assistance.
- Actions of the IDP shall be reviewed by the facility administrator, who may concur with the findings and sanctions or modify them.
- At all steps in the disciplinary process, any sanctions imposed shall be commensurate with the severity of the committed prohibited act and intended to encourage the detainee to conform with rules and regulations in the future.
- All steps of the disciplinary process shall be performed within the required time limits.
- At all steps of the disciplinary process, accurate and complete records shall be maintained. The detainee shall receive copies of all reports, exhibits and other documents considered or generated in the hearing process, except insofar as the disclosure of such documents may pose an imminent threat to the safety, security and orderly conduct of the facility staff or other detainees, or if the document or other evidence is otherwise protected from disclosure.
- If a detainee is found not guilty at any stage

of the disciplinary process, the incident records shall not be placed or retained in the detainee's file, even if these records are retained elsewhere for statistical or historical purposes.

- Detainees shall be allowed to appeal disciplinary decisions through a formal grievance system. No staff member shall harass, discipline, punish or otherwise retaliate against any detainee for filing a complaint or grievance.
- Detainees shall be afforded rights including, but not limited to, the following:
 - the right to protection from abuse.
 - the right to freedom from discrimination.
 - the right to pursue a grievance.
 - the right to correspond with persons or organizations.
 - the right to due process.
- The applicable content and procedures shall be communicated to the detainee in a language or manner the detainee can understand.

All written materials provided to detainees shall generally be translated into Spanish. Where practicable, provisions for written translation shall be made for other significant segments of the population with limited English proficiency.

Oral interpretation or assistance shall be provided to any detainee who speaks another language in which written material has not been translated or who is illiterate.

Investigations

All Incident Reports are investigated within 24 hours of the incident.

The investigating officer must have supervisory rank or higher (unless prevented by personnel shortages) and shall have had no prior involvement in the incident, as either witness or officer at the scene. If an officer below supervisory rank conducts the investigation, the shift supervisor shall review his/her report(s) for

accuracy and completeness and sign them.

The investigating officer shall:

- Commence the investigation within 24 hours of receipt of the Incident Report.
- Advise the detainee of his/her right to remain silent at every stage of the disciplinary process, and ensure that he/she has a complete listing of detainee rights.
- Provide the detainee a copy of the Incident Report and notice of charges at least 24 hours before the start of any disciplinary proceedings.
- Terminate the administrative investigation, if the incident is under investigation on different grounds (i.e., the prohibited act is under criminal investigation), unless and until the agency with primary jurisdiction concludes its investigation or indicates it shall not pursue the matter.

Contraband that may be evidence in connection with a violation of a criminal statute shall be preserved, inventoried, controlled and stored so as to maintain and document the chain of custody. Contraband shall be reported to the appropriate law enforcement authority for action and possible seizure and prosecution.

- Advise the detainee in writing of the detainee's right, if applicable, to an initial hearing before the Unit Disciplinary Committee (UDC) within 24 hours of his/her notification of charges.
- Record personal observances and other potentially material information.
- Prepare a factual report of the investigation, including the location or disposition of any physical evidence.
- Forward to the Unit Disciplinary Committee (UDC) all reports relevant to the disciplinary hearing—but do not provide a copy to the detainee at this stage of the disciplinary process, except for a copy of the Incident Report.

Unit Disciplinary Committee (UDC)

All facilities shall establish an intermediate level of investigation/adjudication process to adjudicate low or moderate infractions. They shall also ensure that the detainee is afforded all the UDC rights listed below.

The UDC administering unit discipline shall comprise up to three members, at least one of whom is a supervisor. The UDC shall not include the reporting officer, the investigating officer, or an officer who witnessed or was directly involved in the incident, except in the unlikely event that every available officer witnessed or was directly involved in the incident.

The UDC shall conduct hearings and, to the best extent possible, shall informally resolve cases involving high moderate or low moderate charges in accordance with the list of charges and related sanctions noted as "Appendix 3.1.A: Offense Categories." Unresolved cases and cases involving serious charges are forwarded to the institution disciplinary panel.

The UDC shall have authority to:

- Conduct hearings and resolve incidents involving high moderate or low moderate charges.
- Consider written reports, statements and physical evidence.
- Hear pleadings on the part of the detainee.
- Make findings that a detainee did or did not commit the rule violation(s) or prohibited act(s) as charged, based on the preponderance of evidence.
- Impose minor sanctions "E" through "M" in accordance with the table of prohibited acts and associated sanctions later in this document.

The detainee in UDC proceedings shall have the right to:

- Remain silent at any stage of the disciplinary process.
- Due process, which includes:
 - Attending the entire hearing (excluding committee deliberations).
 - Waiving the right to appear.
 - Having a UDC hearing within 24 hours

after the conclusion of the investigation.

If security considerations prevent detainee attendance, the committee must document the security considerations and, to the extent possible, facilitate the detainee's participation in the process via telephonic testimony, document submission, written statements or questions to be asked of witnesses;

- Present statements and evidence, including witness testimony on his/her own behalf.
- Appeal the committee's determination through the detainee grievance process.

The UDC shall:

- Advise the detainee of his/her rights at the hearing;
- Refer to the IDP any incident involving a serious violation associated with an A-through-D-range sanction. This includes code violations in the "greatest" and "high" categories (100s and 200s);
- Serve the detainee with:
 - A copy of the UDC decision which must contain the reason for the disposition and sanctions imposed.
 - Written notification of charges and hearing before the IDP.
- If the detainee's case is being referred to the IDP, advise the detainee, in writing, of:
 - The right to call witnesses and present evidence before the IDP.
 - The right to a staff representative before the IDP.

Staff Representation for the IDP

The facility administrator shall upon the detainee's request, assign a staff representative to help prepare a defense prior to the commencement of the IDP. This help shall be automatically provided for detainees who are illiterate, have limited English-language skills, or who are without means of collecting and presenting essential evidence. Detainees shall also have the option of receiving assistance from another detainee of their selection rather

than a staff representative, subject to approval from the facility administrator.

- A staff representative must be a full-time employee.
- Because of the potential conflict of interest, the facility administrator, members of the IDP and of the UDC initially involved in the case, eyewitnesses, the reporting and investigating officers and anyone else with a stake in the outcome shall not act as staff representative.
- The detainee may select his/her staff representative, barring those identified in paragraph 2 above.
- The IDP shall arrange for the presence of the staff representative selected by the detainee. If that staff member declines or is unavailable, the detainee may:
 - Select a different representative.
 - Wait for the unavailable staff member to become available (within a reasonable period).
 - Proceed without a staff representative.
- A staff member who declines to serve must state the reason on the staff representative form.
- If several staff decline, the facility administrator shall assign one.
- The staff representative shall be free to speak to witnesses and to present evidence on the detainee's behalf, including evidence of any mitigating circumstances. The staff representative must act in good faith on behalf of the charged detainee, and interview witnesses and obtain documentary evidence as requested by the detainee or as otherwise reasonably seen as relevant to the defense of the charges or in mitigation of the charges.
- The IDP shall allow the staff representative enough time to speak with the detainee and interview witnesses prior to commencement of the proceeding. The IDP may grant a request for extension of time if required for an adequate defense.
- The IDP shall establish the reliability of information provided by a confidential

source before considering it in the disciplinary proceedings.

- The IDP may withhold the confidential source's identity from the staff representative. While the staff representative may challenge the substance of any confidential information the IDP discloses, he/she may not question its reliability (which is pre-established by the IDP).
- In the event that a detainee cannot effectively present his/her own case, the facility administrator shall appoint a staff representative, even if not requested by the detainee.

Institution Disciplinary Panel

Only the disciplinary panel may place a detainee in disciplinary segregation.

The term "Institution Disciplinary Panel" or "IDP" refers either to a three-person panel appointed by the facility administrator, or a one-person disciplinary hearing officer, depending on the practice at the facility.

The panel may not include the reporting officer, the investigating officer, any member of the referring UDC, or anyone who witnessed or was directly involved in the incident. Exceptions may occur only if the number of officers required for the panel cannot be filled due their direct involvement in the incident.

The IDP shall have authority to:

- Conduct hearings on all charges and allegations referred by the UDC.
- Call witnesses to testify;
- Consider written reports, statements, physical evidence and oral testimony.
- Hear pleadings by detainee and staff representative.
- Make findings that the detainee did or did not commit the rule violation(s) or prohibited act(s) as charged, based on the preponderance of evidence.
- Impose sanctions as listed and authorized in each category.

The detainee in IDP proceedings shall have the

right to:

- Remain silent at any stage of the disciplinary process.
- Due process, which includes:
 - Attending the entire hearing (excluding committee deliberations).
 - Waiving the right to appear.
 - Having an IDP hearing within 24 hours after the conclusion of the investigation.

If security considerations prevent the detainee's attendance, the committee must document the security considerations and, to the extent possible, facilitate the detainee's participation in the process by telephonic testimony, the submission of documents, written statements or questions to be asked of witnesses;

- Present statements and evidence, including witness testimony, on his/her behalf.
- Appeal the committee's determination through the detainee grievance process.

The IDP shall:

- Verify that the detainee has been advised of and afforded his/her rights.
- Remind the detainee of his/her right to a staff representative, provide one if requested and verify that a staff representative has been assigned when a representative is requested.
 - Advise the detainee of his/her right to waive the hearing and admit having committed the offense.
 - Conduct the hearing on the first business day after receiving the UDC referral, unless the detainee waives the 24-hour notification provision and requests an immediate hearing. In cases where a hearing is delayed, the reason(s) must be documented (e.g., a continuing investigation of facts, unavailability of one or more essential witnesses, etc.) and approved by the facility administrator. If the detainee is being held in segregation, the delay

shall not exceed 72 hours, barring an emergency;
