- Physical head counts shall be recorded in the Dorm/Unit Logbook. This includes the hourly physical head counts required between 2300 and 0600 hours. These will be logged under the log code "HC".
- Your SmartCop Inmate Roster shall be kept up-to-date at all times. It must be updated to reflect any changes occurring throughout your shift. You shall print an Easy Site Placement sheet at the beginning and end of your shift.

- Key Control (Complete procedures are in BOC directive 8:015.)

- Upon being relieved, the Dorm/Unit Deputy shall relinquish any keys to the relieving deputy.
- The relieving deputy shall count the number of keys he or she is receiving and match them against the key count designated on the key ring. Any discrepancies shall be reported to the Shift Supervisor immediately.

- If you are the second deputy in the dorm/unit, you shall pick-up your keys from the key watcher system at the beginning of your shift and return your keys to the key watcher system at the end of your shift.

- Any lost or broken keys shall be immediately reported by the Dorm/Unit Deputy to the Shift Supervisor. The deputy shall complete an Incident Report and forward it to Operations through the chain-of-command. The deputy shall bring the key ring to the Inmate Services Sergeant to have the keys replaced.

- Inmates are never allowed to touch any detention facility key.

- Logs

- The first entries a Dorm/Unit Deputy shall record in the Dorm/Unit Logbook will be:

- Head count being conducted
- Head count completed and submitted to Intake/Release Sergeant
- Head count cleared, your name, the name of the deputy you are relieving, equipment and keys received, and all pass down information received.

- All head counts shall be recorded in the Logbook at the time of counts.

- All Dorm/Unit Deputies shall note any incidents or important facts they feel are vital information for another deputy or shift.

- Movements in and out of the Dorm/Unit shall be recorded in the Logbook and on an Inmate Site Placement Form. This process shall be known as a running count of how many inmates are in and how many are out.

- All paperwork is to be forwarded to the Shift Supervisor at the end of the shift

by the Rover.

- Refer to the Standardization of Log Entries written directive 1:032 for complete instructions on logbook entries.
- Mail
 - No deputy will give any legal advice. No deputy shall give any legal material unless it comes through proper channels, Programs Department or Shift Supervisor.
- Mail (Complete procedures are in BOC directive 5:002.)
 - Mail collection and distribution shall be conducted in the Property Room Monday through Saturday, excluding Federal holidays.
 - The Dorm/Unit Deputy will pass out the mail when received from the Rover in an expedient manner.
 - Legal mail will be opened and checked for contraband in the presence of the inmate by the Dorm/Unit Deputy only if contraband is suspected; otherwise, legal mail is NOT to be opened.
 - Outgoing mail will be scanned by the Dorm/Unit Deputy before being sealed.
 - At the end of the shift, the Rover will drop the mail off in the Property Room.
- Grievances (Complete procedures are in BOC directive 5:003.)
 - Inmate grievances are to be given directly to the Dorm/Unit Deputy by the inmate.
 - Inmate requests for assistance may be given to you by the inmate and handled accordingly. If you cannot assist with the request, you are to give the request to the Shift Supervisor.
- Medical Request (Complete procedures are in BOC directive 5:003.)
 - Inmate requests for medical attention are to be placed directly into the Medical Box by the inmate.
- Maintenance
 - Emergency maintenance requests shall be reported immediately to the Shift Supervisor for his or her coordination.
 - Non-emergency maintenance requests shall be documented on a Daily Maintenance Report Form and in the Dorm/Unit Logbook. Forwarded all Daily Maintenance Report Forms to the Shift Supervisor at the end of your shift.
- Meals (Complete procedures are in BOC directive 6:005.)
 - You are to assemble your inmates for meals at the times designated by the master schedule. Meals shall begin at the following approximate times:
 - 6:15 a.m. - Breakfast
 - 11:00 a.m. - Lunch
 - 6:15 p.m. - Dinner
 - The Floor Rover/designee shall deliver the food to each housing Dorm/Unit. [ALDF-4A-17] [CORE-4A-06]
 - You shall monitor the food trays for complete meals, quality, quantity, etc., prior to distributing the trays to the inmates. You are to maintain visual contact with each tray for each individual inmate to ensure stealing does not occur. [ALDF-4A-17] [CORE-4A-06]
 - When the trays are delivered, count all items (e.g., trays, spoons, fruit).
 - Serve one tray and one spoon to each inmate. Hairnets and gloves shall be worn by the inmate worker or deputy that is serving the food.
 - After all trays have been served,

monitor the Dorm/Unit for complaints or possible problems.

- Upon completion of the meal, have each inmate pass his or her tray to you at the front of each Dorm/Unit.
 - Count all trays when returned.
 - When all items have been accounted for, have them returned to the kitchen and clean up will begin.
- Recreation (Complete procedures are in BOC directive 6:017.)
 - Dorm, Sickbay, and Unit A-1 Deputies shall assemble inmates at the time designated on the Recreation Schedule for escort by the Rover/designee to the recreation yard. You shall count the inmates leaving your Dorm/Unit.
 - The Rovers shall supervise inmates participating in recreation in the main recreation yard. When the Rover returns the inmates, count the inmates to ensure the number of inmates leaving your Dorm/Unit and the number of inmates being returned to your Dorm/Unit is the same.
 - Unit Deputies shall leave their recreation yard doors unlock during authorized recreation hours.
 - Releases/Inmate Workers
 - You shall ensure inmates leave their area in an orderly and clean manner before being released from the facility.
 - Releases shall be coordinated between the Classification Division, the Intake/Release Sergeant, and the Dorm/Unit Deputy.
 - Immediately after an inmate has been released, an inmate worker will disinfect the mattress and pillow of the inmate being released.
 - Only those inmates assigned on the

Inmate Worker Work Schedule will be allowed outside the Dorm/Unit to work.

- Multiple Occupancy Cubicals

ALL beds will be made by 9:00 a.m. If an inmate wants to lie down, he or she must lie on top of the covers.

- Security Rounds/Visual Check of Inmates (Complete procedures for security rounds and head counts are in BOC directives 8:020 and 8:021.)

You shall conduct security rounds/visual check of inmates in your Dorms/Units at least once every 30 minutes. Rounds are also to be made INSIDE the cubical areas. [CORE 2A-24]

NOTE: Between 2300-0600 hours, security rounds/visual check of inmates shall be made a minimum of once every thirty (30) minutes, but on an irregular schedule to ensure their state of well-being. Remember to also conduct and record your head counts on an hourly basis between 2300 and 0600 hours.

- Security rounds/visual check of inmates shall be documented in the Dorm/Unit Logbook. These will be logged under the log code "SR". If there is an emergency situation that prevents you from conducting your rounds within 30 minutes, note in the remarks section why you were late when you log your next round.
- Head counts will be logged under the log code "HC".
- You will inspect all areas and perimeters of your Dorm/Unit for sanitation, security breaches, and for items in need of repair.
 - You will correct any sanitation problems.
 - You will correct and report to the Shift Supervisor any security breaches.

- You will prepare a Daily Maintenance Report Form on any item in need of repair.
 - The door to the housing Dorm/Unit is to remain locked at all times.
 - Shakedowns and Searches (Further procedures for searches are in BOC directive 8:026.)
 - When the Shift Supervisor deems a shakedown or search is necessary, the shakedown or search shall be conducted under the supervision and direction of the Shift Supervisor.
 - During the normal course of your duty, you will usually search and look through your Dorm/Unit for contraband or maintenance needs.
 - Shakedowns and searches are to be performed in a thorough manner. Deputies shall take care not to unjustifiably disturb the inmate's living area.
 - Sick Call/Medical
 - You shall assemble inmates for sick call/medical and have them escorted to Medical via Rover or Medical Deputy at the direction of the Medical Division.
 - Medical emergency responses shall be coordinated between yourself, Rover, Medical Division, and Shift Supervisor.
 - Refusal of medical treatment will be documented on a Refusal of Medical Treatment Form made available via the Medical Division.
 - You will assemble inmates for medication in accordance with the master schedule.
 - Activities/Programs
 - All activities (e.g., religious, GED, AA, NA) shall be scheduled by the Programs Services Division.
 - Activities shall be conducted where/when space is available and at no time will activities jeopardize security.
 - At no time shall any outside activity volunteer give any inmate any item.
 - Supplies
 - Cleaning material shall be distributed and maintained during the day and evening shift.
 - Supplies are to be ordered by the night shift.
 - Razors are to be issued and retrieved as per the Inmate Razor Issuance BOC directive 6:012.
 - Hygiene supplies are to be provided to the inmates.
 - Each Dorm/Unit Deputy will monitor cleaning materials to ensure waste or pilferage does not occur.
- NOTE: The janitor's closet door shall be unlocked only when an inmate is getting cleaning materials from the janitor's closet under the direct supervision of the Dorm/Unit Deputy. The janitor's closet door shall remain locked at all other times.**
- Linen/Clothing Exchange (Complete procedures are in BOC directive 1:015.) [ALDF-4B-02] [CORE-4B-01 and 4B-02]
 - Clothing (personal and uniforms) exchange shall be conducted two (2) times per week. Each inmate will be issued two towels which will be washed with their personals. [FCAC 14.17]
 - Linen exchange shall be conducted once a week.
 - The Laundry Deputy will perform the laundry exchange for all the housing areas in accordance with the Laundry Schedule.
 - Sheets and uniforms will be exchanged on a one-for-one basis. (Example: The inmate gives you one dirty sheet and

you will exchange with the inmate one clean sheet. If the inmate does not give you a dirty sheet, you will not give the inmate a clean sheet.)

- All dirty items will be received without knots in order to expedite the laundry process.
- Telephones
 - Each inmate housing Dorm/Unit shall be equipped with a pay telephone station located in the Dorm/Unit. Calls are made on a collect or calling card basis only. [FCAC 16.09] [ALDF-5B-11] [CORE-5B-03]
 - Inmates shall not be permitted to directly receive incoming telephone calls.
 - In cases of emergency, the incoming calls shall be routed to the Shift Supervisor. The Shift Supervisor shall take the necessary action to verify the emergency. In such cases as family death, the Shift Supervisor shall seek the services of a Chaplain to inform the inmate. If chaplain services are not available, the Shift Supervisor shall inform the inmate as tactfully as possible. The Shift Supervisor will then allow the inmate to make emergency phone calls as necessary.
 - You are to monitor the amount of time any one inmate uses the telephones. If inmates are waiting to use the telephone, a 15-minute limit will be placed on the inmate using the phone. [FCAC 16.09]
- Deputy Radios/Telephones [FCAC 22.05]
 - Each deputy will carry a radio. The radio is to be left on the assigned channel at all times. No unnecessary communications will be made on the radio.
 - Routine communications will be maintained between areas via telephone.
- The deputy's telephone will be used for communications within the facility. In case of emergency, incoming calls shall be routed to the Shift Supervisor. The Shift Supervisor shall take the necessary action to verify the emergency, and notify the deputy.
- The deputy's telephone and radio are not to be used by inmates.
- The radio is to be maintained on your belt at all times when not in use.
- Follow BOC directive 1:023 for proper telephone courtesy procedures.
- Visitation (Complete procedures are in BOC directive 5:004.)
 - Visiting hours will be posted.
 - The Receptionist will call your Dorm/Unit to inform you an inmate has a visit.
 - The Floor Deputy will send the inmate to the visitation area.
- Attorney Visits (Complete procedures are in BOC directive 5:001.)

Attorneys may normally visit during non-lockdown hours. Attorney hours are posted.
- Windows

All windows in the Dorm/Unit area are to be kept clean of clutter. There will be nothing on any of the windowsill.
- Classification Actions
 - All non-emergency moves of inmates from one housing Dorm/Unit to another are to be made by the Classification Division.
 - Immediately after intake, a Classification Deputy/Clerk assigns an inmate to a housing area. When inmates are escorted to your housing Dorm/Unit, you are to review the housing assignment to see if the inmate has a special housing need (e.g., bottom bunk).

- You will assign the inmate his or her cell, pod, and/or bunk taking into consideration any special housing needs indicated by Classification. You will enter the new intake and his or her cell, pod, and/or bunk assignment into the SmartCop Inmate Roster.
- Television
 - Televisions are to be maintained at a sound level where a normal level of voice communication can be initiated without undue interference from the television set.
 - Television channels shall be selected by majority preference. The television is a privilege and may be withdrawn when rules are not followed.
 - The remote control is to be maintained by the Unit/Dorm Deputy. Do not give the remote control to inmates.
- Haircuts (Complete procedures are in BOC directive 6:010.)
 - Each inmate will utilize his own comb for haircuts.
 - Hair clippers will be available during the night shift.
 - Inmates must sanitize hair clippers between each user. A sanitizer will be made available to the inmates.

Execute all other duties, assignments, and special orders as may be directed.

any other person concerned with a prisoner in custody, the employment or hire of any specific attorney or bail bondsman. Sheriff's personnel shall not become surety, guarantor, or furnish bail for any person arrested or charged with a crime except for members of their immediate family and then only upon notification of the Operations Commander. Furthermore, advice shall not be given, nor speculation offered, on the outcome of any court action (e.g., advising inmates not to bond out but to wait for First Appearance Court to bond out).

Specific Duties

- Intake Booking Process

- One male and one female deputy will be assigned to the Intake/Release Area and will accomplish the following tasks upon receiving an individual for processing.

NOTE: If a female deputy is not assigned to the Intake/Release Area, a female deputy shall be available when needed for the intake of female detainees.

- Maintain radio contact with Main Control for operation of the security vestibule doors.
- Ensure the flow of arresting deputies in the security vestibule is controlled.
- Ensure that no person enters the security vestibule with a weapon, including taser, baton, ammunition, speed loaders, etc. Law Enforcement Deputies may bring their chemical agent into the facility.
- Visually observe the detainee for any injuries or medical problems (e.g., cuts, bleeding, bruises, broken bones). An unconscious person or a person who appears to be injured seriously enough to require hospital treatment will not be admitted into the facility, and you will advise the Intake/Release Sergeant of your observation.

- If a detainee is refused acceptance into the facility by the Medical Staff or by the Intake/Release Sergeant because of unconsciousness or injuries that require hospital treatment, a written medical treatment form from a hospital must be submitted before the arrestee will be accepted into the facility.
- Observe the detainee's emotional state and question the arresting or transporting deputy about any unusual behavior (e.g., suicidal tendencies).

NOTE: Ensure that the arresting or transporting deputy has completed an Arresting Deputy's Assessment of Arrestee Form. Review this form immediately upon receipt.

- Notify the Medical Staff, Classification Division, and the Intake/Release Sergeant of any medical or behavioral problems.
- Should an arresting or transporting deputy bring an individual into the security vestibule for booking that appears to be under the influence of alcohol or drugs, the Intake/Release Deputy may choose to get an alcohol level reading from the subject using a handheld sampling device. We will no longer automatically rejected arrestees solely on the basis of blood alcohol content (BAC) of 0.3 or higher. Observe if the individual can walk and talk. If the individual cannot communicate or walk, the Intake/Release Deputy will inform the Intake/Release Sergeant. The Intake/Release Sergeant along with Medical's recommendation will decide if we will accept or reject the arrestee. If rejected, the Arresting/Transporting Deputy will have to take the individual to the hospital for evaluation. The Arresting/Transporting Deputy must bring back written medical clearance

from the hospital before we will accept the arrestee.

- Ensure that all proper documentation has been received from the arresting agency.
- Complete an initial review of the arresting document to ensure completeness.
- Pat search the detainee including his or her personal possessions.
- Remove the restraining devices from the detainee.
- Collect and inventory the detainee's valuable personal property and money. Ensure the money is not counterfeit (see written directive BOC - 2:019 reference counterfeit money). Log the valuable property on an Inmate Personal Property Receipt Form.
- Hand the valuables bag to the Intake/ Release Sergeant who shall verify the inventory and seal the valuables bag with special tabs identified by a number. Deliver the valuables bag to Property for storage.
- Obtain a visual identification of the detainee (i.e., photographs). [FCAC 14.19]
- Fingerprint and palm print the detainee.
- Interview the detainee to obtain all the information and signatures required.
- Answer or obtain the answer to questions pertaining to the detainee's needs, wants, and requests.
- Secure the detainee in the holding cell for orientation.
- Assign the detainee to a bunk within the Intake Housing Unit.

- Female Detainees will be processed by a certified female Intake/Release Deputy.
- Make rounds throughout the Intake/Release Area every thirty (30) minutes. Do fifteen (15) minute checks as required.

NOTE: When any detainee or inmate is placed in a holding cell, the Intake/Release Holding Cell Rover shall continuously observe the individual(s).

NOTE: In case of an emergency, the Intake/Release Deputy will be the designated officer to remove the detainee/inmate from the holding cell.

- Release Process [FCAC 14.19]

The Intake/ Release Sergeant shall approve all releases.

- Cash Bond Releases

- Verify detainee's bond amount according to the charge.
- Verify detainee's money amount.
- Verify that a Records Assistant has collected the bond money and completed a cash bond receipt.
- Return the detainee's property upon release.

- Surety Bond Releases

- Verify detainee's bond amount according to the charge.
- Verify the surety bond power, amount, and proper completion.
- Return the detainee's property upon release.

- ROR/Signature Bond Releases

- Verify that the detainee has been released on own recognizance

(ROR'd) or has been granted a Signature Bond.

- Complete the ROR/Signature Bond.
- Return the detainee's property upon release.
- Other Agency Releases (e.g., South Florida Reception Center, United States Marshal, Immigration & Customs Enforcement)
 - Verify that the detainee is to be released and to whom.
 - If the detainee is being picked-up by the other agency, have that agency's representative sign for the release.
 - Turn over all of the detainee's property to the agency representative.
- All other releases (e.g., Pretrial Services, Time Served, Probation).
 - Verify type of release.
 - Complete forms as required.
 - Return the detainee's property upon release.

NOTE: Prior to releasing any inmate, a verification check of the inmate's photo will be done to ensure that the correct inmate is being released.

Execute all other duties, assignments, and special orders as may be directed.

| | TOPIC: Mail Clerk/Librarian | |

PURPOSE:

The purpose of this post order is to establish guidelines for the duties and responsibilities of the Mail Clerk/ Librarian. Inmates/detainees will be able to correspond with their families, the community, legal representatives, government offices, and consular officials consistent with the safe and orderly operation of the facility. The Mail Clerk/Librarian is responsible for receiving, scanning, logging, and distributing inmate incoming mail and stamping outgoing mail. He or she shall also maintain and distribute reading materials to the inmate population. There are many situations that may arise which are not specifically covered by this post order. If further instruction is needed, you are directed to consult your supervisor.

SCOPE:

This post order applies to the individual assigned duties as the Mail Clerk/Librarian.

SUPERVISOR:

Programs Services Director.

GENERAL INFORMATION:

Only authorized personnel (e.g., Property Clerk, Mail Clerk, Commissary Clerk, Programs Services Director) are allowed access to the

Property/Mail Room. All others who enter into the Property/Mail Room will log in on the Property/Mail Room Sign In/Out Form.

DEFINITIONS:

Special Correspondence and Legal Mail - Special Correspondence and Legal Mail is the term for written communications to or from private attorneys and other legal representatives; government attorneys; judges, courts; embassies and consulates; the President and Vice President of the United States, members of Congress, the Department of Justice (including the DOJ Office of the Inspector General), the Department of Homeland Security Office for Civil Rights and Civil Liberties, the Department of Homeland Security (including U.S. Immigration and Customs Enforcement, the Office of Detention and Removal Operations, and the DHS Office of the Inspector General); the U.S. Public Health Service including the Division of Immigration Health Services; health care practitioners; administrators of grievance systems; and representatives of the news media. [PBNS 2008 Part 5]

DUTIES AND RESPONSIBILITIES:

The Mail Clerk/Librarian's duties and responsibilities shall consist of, but not be limited to:

- Inmate/Detainee Mail [PBNS 2008 Part 5]

NOTE: For your own safety, gloves should be worn when processing mail.

- Receive all incoming inmate mail.
- Incoming priority, overnight, certified mail, and deliveries from a private package delivery service, etc. shall be recorded in a logbook maintained by the Mail Clerk with Date received, Senders name, type of mail, Inmate/detainee name and the inmate/detainee signatures for receipt of mail.
- The Mail Clerk will take this mail to the inmate/detainee housing unit the same day, excluding weekends and holidays
- Intercept cash, checks, money orders or physical contraband from incoming mail.

NOTE: Only United States Treasury checks will be accepted through the mail. Even though it is against policy, if cash or money orders are received, it will be receipted and placed into the inmate's account. All other checks will be placed in the inmate's blue property bag and a rejection notice will be sent to the inmate.

- Remove all adhesive stamps, stickers, and name/ address labels from mail. Write the name and address of the sender on the envelope.
- Scan incoming non-privileged mail for any attempts to escape, security violations, or conspiracy to introduce contraband. For example:
 - Material depicting activities that present a risk of physical violence or group disruption, for example, material dealing with the subjects of self-defense or survival, weaponry, armaments, explosives, or incendiary devices.
 - Information regarding escape plots, plans to commit illegal activities or to violate facility guidelines.
 - Information regarding the production

or use of drugs or alcohol.

- Sexually explicit material that is obscene or prurient in nature.
- Threats, extortion, obscenity, or gratuitous profanity.
- A cryptographic or other surreptitious code that may be used as a form of communication.
- Other contraband. A package received without the facility administrator's prior authorization is considered contraband.
- Inmate to inmate mail (Return to Sender)

Both sender and addressee shall be provided written notice, signed by the facility administrator or designate person with an explanation, when the facility rejects incoming or outgoing mail.

- Outgoing mail shall not be interfered with except to open and inspect it to determine if there is a reasonable suspicion of a prohibited act listed above. Each outgoing envelope will be stamped with the jails originating address stamp to notify recipients that the mail is from a detention facility.

NOTE: Outgoing privileged mail shall not be opened (except as stated above), but it may be held for a reasonable time not to exceed 72 hours pending verification that it is properly addressed to a person or agency that is considered privileged (i.e., attorney, the courts, and public officials).

- If correspondence is denied, the inmate/detainee shall be given written reasons as to why the correspondence has been denied.
- Mail shall be delivered to and from inmates without unnecessary delay.

Indigent ICE Detainees [PBNDS 2008 Part 5]

An ICE detainee is considered "indigent" if he or she has less than \$15.00 in his or her account.

General Correspondence postage is limited to letters weighing one ounce or less.

When an indigent ICE detainee fills out an Indigent Detainee Form, the Mail Clerk will verify the following:

- Check ICE detainees commissary account to verify the detainee is indigent
- If the ICE detainee is not indigent, fill out the bottom of the request form, file the original with a receipt of detainee account balance and send the detainee a copy of denied request and account receipt.
- **Special Correspondence/Legal Mail Request for ICE Detainees**
 - Each indigent ICE detainee is allowed to send out a total five pieces of Special Correspondence or Legal Mail weekly.
 - Check the mail for proper addresses and detainee's full name and jail information.
 - If the detainee is indigent, stamp the mail with the detention center address stamp on the back. The mail will be taken to the Headquarter Receptionist to be weighed and stamped for postage.
 - A copy of the amount will be stapled to the request and filed.
 - The Mail Clerk will check the indigent ICE detainee file daily to verify the detainee has not sent out more than five pieces of Special Correspondence or Legal mail for the week.
 - If an ICE detainee exceeds the indigent mail limit, **do not** stamp the mail. Deny the request form due to excess of weekly allowance and return the mail to the detainee, with a copy of the denial form.

- **General Correspondence Mail Request for ICE Detainees**

- Ensure all indigent ICE detainee requests for stamped envelopes are verified and delivered.
- Upon delivery, the detainee identity must be verified utilizing the detainee photo identification tag. The detainee will then sign for receipt of the indigent envelopes.
- If a detainee has been released from jail, return the items back in stock and write release date on the form.
- Ensure the indigent ICE detainee forms are filed alphabetically and then filed weekly.
- An audit will be done weekly of the ICE Detainee Indigent Stamped Envelopes.

Library

- Maintain a stock of books for general distribution.

- Your normal duty hours will depend on what shift you are assigned.
- Receive an up-to-date briefing from the Main Control Room Operator being relieved prior to assuming the post.
- Ensure that the control console display indicates proper operation of all electronically operated doors.
- Do not leave your post for any reason unless properly relieved or authorized by the Shift Lieutenant/designee.
- It is your responsibility to maintain the proper logs and records as required.
- Be thoroughly familiar with the layout of the facility, particularly staff and inmate movement routes, locations of contact visitation room, visitor corridors and public visitation rooms in order to respond to staff and visitor inquiries.
- Only one door is to be opened at any time unless an emergency is occurring and you have been instructed to open more than one door at a time. These doors include all doors leading through the security envelope and main control.
- Prior to opening a security door, a visual scan must be made to determine that conditions are normal, if possible.
- After positive identification, open the gate and sally port doors only to allow authorized vehicles and persons to enter and exit.
- Notify appropriate personnel when delivery vehicles enter the service gate.
- All doors including, but not limited to, passageway to the outside will at all times be closed and locked.
- Any unusual incidents must be reported to your Shift Lieutenant/designee verbally and in writing. Proper forms must be completed prior to going off duty.
- Positively identify all individuals requesting admittance into the facility. This is to be accomplished through personal knowledge or proper documentation.
- If the individual cannot or will not produce proper identification, or if the identification produced does not confirm the individual, the Main Control Deputy will refuse admittance to the facility and the Shift Lieutenant/designee will be summoned immediately.
- Ensure that all weapons, stun guns, knives and ammunition are removed before entrance to the security envelope. Call a rover to perform a search on persons carrying items into the secured envelope. If you suspect that a person still has a weapon on, he or she will be refused admittance and the Shift Lieutenant/designee will be summoned immediately.
- Monitor inmate worker movement and admittance to authorized work areas.
- Report to the supervisor and document any malfunction (e.g., phones, doors, locks) on a Daily Maintenance Report Form.
- Immediately notify the Shift Lieutenant/designee of any visual or audio alarm signals that indicate fire, safety, medical, security or other emergencies.
- Frequently conduct visual security and safety checks of the facility and its perimeters by use of closed circuit television monitors, and report all suspicious activities to the Shift Lieutenant/designee.
- Monitor the progress of emergencies in the facility as they arise and provide assistance as required. Effective communication should be established in emergency situations between both operators to ensure the most efficient and safe response possible.
- Maintain continuous telephone, intercom, radio, and/or video communication with personnel involved in a disturbance, to include video-taping whenever possible.
- Monitor all radio transmissions and notify the Shift Lieutenant/designee of emergency

situations.

- Maintain the cleanliness of the Main Control Room and staff rest room.
- The Main Control Deputy will contact each Dorm and Unit to include Medical, Sick Bay, Rover Station, Laundry, Kitchen, Intake/Release, etc, for an watch call/Officer Safety Check every half hour between the hours of 1800 to 0600 and every hour between 0600 and 1800. This will be logged into SmartCop. Administrative sworn personnel will not be contacted for an Officer Safety Check. [PBND 2008 Ch 2 Sec 7]
- Upon Transportation entering into the facility, the inmate telephones will be turned off.

Any member taken hostage has **NO** authority, regardless of rank, while under duress.

Refer to BOC 8:009 for the proper care and safe handling of firearms along with the circumstances and conditions under which the use of firearms is authorized.

Execute all other duties, assignments, and special orders as may be directed.

PURPOSE:

The purpose of this post order is to establish guidelines for the duties and responsibilities of the Operations Commander.

The Operations Commander is responsible for the overall operation, personnel, safety, care, and security control of the Key West Detention Facility. [FCAC 1.03]

The Operations Commander is the administrator of the Key West facility and is responsible for all staff under his or her command. [FCAC 1.03] [ALDF-7D-05]

The Operations Commander reports directly to the Major, Bureau of Corrections.

SCOPE:

This post order applies to the individual assigned duties as the Operations Commander.

SUPERVISOR:

Major, Bureau of Corrections.

DUTIES AND RESPONSIBILITIES:

The Operations Commander's duties and responsibilities shall consist of, but not be limited to:

Meetings

Conduct and document staff meetings at least once per month with all Support and Operations Supervisors. Approve the draft meeting minutes before the final version is posted.

When needed, conduct meetings with the appropriate personnel to review Policies and Procedures and to ensure compliance with all Federal, State, and County laws.

The Operations Commander or designee shall meet at least annually with the health authority. [ALDF-7D-25] [CORE-4D-02]

BOC Written Directives and Emergency Procedures Manuals

Main Control Operators will notify the Operations Commander in any emergency or event according to the Emergency Notification Chart which is located in Main Control and Intake/Release Control.

The Operations Commander is responsible for the updating of the Bureau of Corrections (BOC) Directives Manual and the BOC Emergency Procedures Manual.

These procedures should ensure that the security of the facility is not compromised and that the safety and well being of staff and inmates are of prime consideration.

PURPOSE:

The purpose of this post order is to establish guidelines for the duties and responsibilities of the Floor Rover. The Floor Rover responsibility is to ensure the personal safety of staff and inmates entrusted to his or her area following standard methods of security, and to safeguard Monroe County Sheriff's Office property. The work involves working cooperatively with all staff and promoting a team effort that ultimately meets the goals of all concerned. There are many situations which may arise in which are not specifically covered by this post order. If further instruction is needed, you are directed to consult your supervisor.

SCOPE:

This post order applies to the individuals assigned duties as Floor Rovers

SUPERVISOR:

Shift Sergeant.

DUTIES AND RESPONSIBILITIES:

The Floor Rovers' duties and responsibilities shall consist of, but not be limited to:

General Duties

- Be attentive to your duties at all times.
- Only that material necessary for performance of duties shall be permitted or as approved by the Major of the Bureau of Corrections.
- Ensure you pass on information to the relieving Floor Rover regarding any ongoing activities, existing emergencies, or conditions.
- Notify the Shift Sergeant of all alarms, emergencies, unusual events, or special tasks concerning your area as soon as feasible.
- Answer the telephone professionally (i.e., Rover's Station, Deputy Taylor).
- All agency owned equipment will be used for agency business only.
- Comply with all existing policies, procedures, and directives not specifically rescinded or superseded herein.

Specific Duties

- Ensure that you are trained in the use of equipment issued to you.

| BOC - 10:033 | Date of Original: Jan 1994 | 1 |
| Dissemination Date: 12/7/18 | Previous Revision Date(s): 9/15/99, 12/30/11 | Effective Date: 12/14/18 |

- Ensure that all assigned inmates obey the rules and regulations.
- Ensure that all assigned inmates complete their duties.
- Never allow yourself to get into a position where you will be subjected to a surprise attack by the inmates.
- At no time will you engage in idle conversation with the inmates.
- Only authorized persons will be permitted on your post.
- Do not leave your post for any reason unless properly relieved or authorized by the Shift Sergeant.
- If an inmate is injured, it is your responsibility to make the proper notifications (i.e., Medical, Main Control, and Shift Supervisor).
- Maintain proper control and inventory of all tools and equipment.
- Maintain proper key control. No keys will ever be given to an inmate for any reason.
- Be familiar with the manual/emergency override system for all doors.
- Inmates are not permitted to roam the facility unsupervised.
- Prior to opening a security door, a visual scan must be made to determine that conditions are normal and the deputies are prepared for inmate movement.
- All doors to include, but not limited to, housing doors and isolation doors will be kept locked.
- All unusual incidents such as fights, injuries, etc., must be reported to your Shift Sergeant verbally and in writing indicating who, what, when, where and how.
- All requests from staff and inmates must be handled as expediently and confidential as

possible. Do not discuss the nature of the request with inmates other than the inmate putting in the request. Channel all requests to the proper person. If a request is urgent and needs to be handled immediately and you are unable to handle it, then notify the Shift Sergeant.

- Be responsible for the safety and security of all inmates in your assigned area.
- Check all doors for maintenance problems at least once during your tour of duty.
- Pat search each inmate when he or she is received from the Dorm/Unit Deputy. You will also pat search inmates before returning them to the Dorm/Unit Deputy.
- Know the location and proper use of Fire Extinguishers in your area.
- Recreation Yards
 - The Rover will inspect ALL recreation yards' including their exercise implements and issued recreational equipment for cleanliness, contraband, and to ensure all are serviceable at the beginning of each shift. The Rover shall also inspect the main recreation yard between each group of inmates using it and the unit recreation yards each time they open or close.
 - The Rover shall complete a Recreation Yard and Equipment Inspection Checklist and note any problems they saw. Any deficiencies found throughout the Rover's shift will also be noted on this checklist which will be turned in at the end of the Rover's shift.
 - A Daily Maintenance Report Form shall be completed on any deficiencies that were found throughout your shift. This form is to be placed in the Maintenance basket on the table by the mailboxes.
 - If any issued recreational equipment (e.g., basketball) need to be replaced, the Rover will fill out an In-House Requisition Form. This form is to be placed in the Supply basket on the table

by the mailboxes.

- Court Movements

Ensure inmates are ready for pickup/delivery for court at all times designated on the court call list or as instructed by any of your supervisors.

- Housing Checks

Housing checks will be conducted every hour under normal operating conditions. During housing checks the following conditions should be observed; however, do not limit your observation just to the following list. Report any noted discrepancy to your Shift Sergeant immediately.

- Dorm Deputies Safety
- Unusual Occurrences
- Unusual Objects
- Security doors and locks
- Water leaks
- Contraband
- Inmate behavior (grouping of inmates)

- Shakedowns and Searches (Further procedures for searches are in BOC directive 8:026.)

- When the Shift Supervisor deems a shakedown or search is necessary, the shakedown or search shall be conducted under the supervision and direction of the Shift Supervisor.
- During the normal course of duty, you will usually search and look through your area for contraband or maintenance needs.
- Shakedowns/Searches are to be performed in a manner that leaves the inmate's living area in the same condition as it was when you first started the shakedown/search.

- Sick Call/Medical

- Upon assembly by the Dorm/Unit Deputy and direction of the Medical Division, inmates will be escorted to sick call/medical.
- Medical emergency response shall be coordinated between yourself, the Dorm/Unit Deputy, Medical Division, and the Shift Supervisor.

- Deputy Radios/Telephones

- Each deputy will carry a radio. The radio is to be left on the assigned channel at all times. No unnecessary communications will be made on the radio.
- Routine communications will be maintained between affected areas via the institutional telephone.
- The deputy's telephone will be used for communications within the facility.
- In cases of emergency, the incoming calls shall be routed to the Shift Supervisor. The Shift Supervisor shall take the necessary action to verify the emergency, and notify the deputy.
- The deputy's telephone and radio are not to be used by the inmate population.
- The radio is to be maintained on your belt at all times when not in use.
- Follow BOC directive 1:023 for proper telephone courtesy procedures.

- Emergencies

- All emergencies shall be reported to Main Control via radio or telephone. Main Control will verify that the Shift Supervisor is apprised of the situation.
- You shall evacuate inmates to the areas designated by the Facilities Fire and Evacuation Plan when directed by your Shift Supervisor.

- You are to notify the Medical Division first regarding any medical type emergency. You are to follow-up immediately with notification to your Shift Supervisor and Main Control. In the event the Medical cannot be immediately contacted, you are to notify Main Control of the event.
- Your primary duty is to supply emergency back up to Dorm/Unit Deputies. [FCAC 22.03b]

- Maintenance

- Emergency maintenance requests shall be reported immediately to the Shift Sergeant on duty for his or her coordination.
- Other maintenance request shall be documented on a Daily Maintenance Report Form and forwarded to the Shift Sergeant at the end of the shift.

- Visitation (Complete procedures are in BOC directive 5:004.)

You will work the visitation areas as needed. You will escort inmates to and from visitation booths in the dorm area.

- Shift Relief

- The on-coming deputy will report to his or her duty post approximately five (5) minutes early.
- The off-going deputy will go over the conditions in the area with the on-coming deputy (e.g., security, special instructions).
- Notify the Shift Supervisor immediately if any problem exists.

- Breaks

- You will relieve Deputies for break(s) as directed by the Shift Supervisor.
- You will be relieved for break(s) as directed by the Shift Supervisor.

| | CHAPTER: Post Orders |  <hr/> Sheriff of Monroe County |
| | TOPIC: Unit A Deputy | |

PURPOSE:

The purpose of this post order is to establish guidelines for the duties, responsibilities, and operations of the Unit A Deputy. The Unit A Deputy's responsibilities are to ensure the personal safety of staff and inmates entrusted to his or her area following standard methods of security, and to safeguard Monroe County Sheriff's Office property. The work involves working cooperatively with all staff and promoting a team effort that ultimately meets the goals of all concerned and provides direct supervision to the inmates. There are many situations that may arise which are not specifically covered by this post order. If further instruction is needed, you are directed to consult your supervisor.

SCOPE:

This post order applies to the deputies assigned duties as the Unit A Deputies.

SUPERVISOR:

Shift Sergeant.

DUTIES AND RESPONSIBILITIES:

The Unit A Deputy must comply with the Dorm/Unit Deputy Post Order unless a specific area has been modified in the following

procedures. Modified and/or additional responsibilities and duties shall consist of, but are not limited to what is listed in this directive. Consistency between shifts is important. The Unit A Deputy shall not deviate from anything listed in this directive unless told to do so by a supervisor.

- **Housing Assignments**

Whenever feasible, inmates on 15 or 30 minute watches shall be housed on the lower tier. These include high profile (HP), signal 20, psych obs, and suicide watch inmates.

Whenever feasible, inmates on hourly watches shall be housed on the top tier. These include administrative confinement (AC), protective custody (PC), disciplinary confinement (DC), pre-disciplinary confinement (PDR) new intake, and reclassification inmates.

Inmates placed in Unit A on PDR for fighting will be listed in the Outlook pass-on section and, if possible, housed on separate tiers.

Don't move inmates per their request. Don't let them dictate where they are housed.

The Shift Commander or a higher-ranking officer must approve deviations from this.

| BOC - 10:049 | Date of Original: 6/14/06 | 1 |
| Dissemination Date: 5/11/12 | Previous Revision Date(s): 6/14/06 | Effective Date: 5/18/12 |

- **High Profile Inmates**

- When a high profile is out, let main control know. Attorneys visiting high profile inmates need to inform a supervisor ahead of time so we can have two deputies ready when the attorney arrives.
- Two deputies must be present when high profile inmates are out. High profile inmates shall always wear handcuffs and shackles when out except:
 - When showering in the caged shower area, remove both the handcuffs and shackles. If necessary, visually observe the inmate while showering.
 - When using the rec yard, remove both handcuffs and shackles.
- Also, follow the Classification and Security of "High Profile" Inmates written directive (BOC 8:002).

- **Handcuffs**

All inmates will have handcuffs applied prior to any movement outside of their cell or any caged area.

The handcuffs will be applied through the food port access. The handcuffs will be removed once the inmate is locked in their cell, shower cage, phone cage, or on the recreation yard.

When removing only one inmate from a two man cell, both inmates will be handcuffed through the food port. After removing one inmate from the cell and securing the door, then remove the handcuffs through the food port on the inmate left in the cell.

All Unit A inmates will be handcuffed while traveling throughout the facility. You cannot leave a handcuffed inmate with an inmate who is not handcuffed (e.g., First Appearance). Remove their handcuffs when you arrive at your destination.

NOTE: See BOC directive 8:002 for specific information on restraints for high profile inmates. High profile inmates deemed an extreme safety risk will be handcuffed in the back at all times until classification states otherwise.

- **Day-Room**

Inmates must proceed immediately to and from their cell, shower, recreation yard, bookshelves, or phone. **Inmates shall not roam around or stand in the day-room.** When inmates are let out for their recreation/out of cell time, they shall only be allowed to shower, clean their cell, use the recreation yard, read a newspaper in the multi-purpose room, get a book from the library shelves, or use the dayroom phone.

Don't allow chairs in the dayroom except for haircuts.

- **Recreation/Out of Cell Schedule**

Inmates will be allowed out of their cell as per the Recreation/Out of Cell Schedule for Unit A. The inmate will forfeit his recreation/out of cell time if his cell is not clean and in an orderly manner, he drew graffiti on the wall, or his bed is not made. If inmates refuse their out of cell time or a cell is empty, let the next cell on the list out. **A MAXIMUM of four inmates may be out at one time when one deputy is present. A MAXIMUM of eight inmates may be out at one time when two deputies are present.** This does not include court, medical, law library, visitation, Disciplinary Report hearings, etc.

Don't deviate from Recreation/Out of Cell Schedule per inmate request or make exceptions for an inmate.

- **Recreation Yard**

The recreation yard shall remain locked at all times. Inmates using the recreation yard will be locked in the yard during their allotted time.

Don't allow chairs on the recreation yard except for haircuts.

- **Telephones**

- Dayroom Phone

The inmates in Unit A are allowed to use the dayroom phones during their recreation/out of cell time.

- Roll-around Phone

The roll-around phone is to be taken to an inmate's cell for attorney calls only. These calls are to take place between 0800 and 1700 hours. The roll-around phone shall be locked up at 1700 hours until the next morning. The deputy shall ask the name and number of the attorney the inmate needs to call. The deputy will dial the attorney's number and log this information in the unit's logbook. The inmate may talk for 15 minutes to his attorney. An attorney can make requests for special arrangements to the Operations Captain. Deviations from the above practice will be approved by the Operations Captain and transmitted to the unit via written communication.

- **Janitor's Closet**

- The janitor's closet door shall be unlocked only when the DEPUTY is getting cleaning materials and supplies from the janitor's closet. Inmates shall NOT be allowed in the janitor's closet. The deputy shall take out the following cleaning supplies:

- 2 spray bottles
 - 1 broom
 - 1 dustpan
 - 1 mop
 - 1 ringer w/bucket
 - 1 toilet brush

- The inmates that are on their recreation/out of cell time may use these supplies to clean their cell. The deputy shall ensure all of the cleaning supplies are returned before securing the inmates back into their cells and letting the next batch of inmates out of their cells. **The janitor's closet shall remain locked at all times.**

- **Meals**

- The Floor Rover/designee along with the tray crew shall deliver the food to Unit A.

- When the trays are delivered to the unit, count all items (e.g., trays, spoons, fruit).

- Monitor the food trays for complete meals, quality, quantity, etc., prior to distributing the trays to the inmates. You are to maintain visual contact with each tray for each individual inmate to ensure stealing or contamination does not occur.

- When two deputies are in the unit, have one deputy serve the top tier while the other deputy serve the bottom tier.

- Only open one food port at a time. Close that food port before you open another.

- Serve only one cup of juice per inmate.

- Serve one tray and one spoon to each inmate.

- Remove any plastic wrap before serving the trays to inmates.

- After all trays have been served, monitor the Dorm/Unit for complaints or possible problems.

- The deputies are to retrieve the trays and clean up. Count all trays when returned to ensure they have all been collected. Place the trays in the vestibule.

- Don't let canteen in when chow is about to start or during chow.

- **Medication Pass**

You will escort the nurse to the appropriate cells for medication pass. The med carts shall be locked in the deputy's bathroom or another room that can be locked. There will be no inmate movement while the nurse is in the unit.

- **Attorney Visits**

Attorneys shall use the multi-purpose room that is not being used as the reading room. You can use the newspaper room as a second attorney room if inmates are not in there reading. If inmates are reading, you then can use the attorney rooms located in the vestibule.

- **Inmate Worker(s)**

- Search the inmate workers as they enter Unit A.
- The Unit A inmate worker is to clean anything the Unit A Deputies need cleaned.
- The inmate worker is only allowed into the unit after all recreation and showers are completed.
- Keep the inmate worker under close supervision. If he speaks with anyone in a cell, it is an automatic disciplinary action.
- Search inmate workers before returning them to their dorm.

- **Time-frame of normal duties**

0600

- Head count/food port check
- Equipment pass-on sheet (inventory janitor's closet)

- 1st round (and continue throughout the day)
- Breakfast chow in (See E. above)
- Inspect ALL cells. Each inmate's personal belongings must fit in their bin, on their desk, and within a maximum of two paper bags. Inmates who have been approved to have legal materials in their cells are allowed to have a maximum of two banker boxes for their legal materials. Dump the cells trash into a large trash bag you're carrying around.
- Start Recreation/Out of Cell Schedule (See C. above). Ensure you keep track of your cleaning supplies that they might be utilizing (See D. above).
- Medical pass and attorney visits will take place throughout the day (See G. and J. above).
- Lunch chow in (See E. above)
- Continue Recreation/Out of Cell Schedule (See C. above).

1800

- Head count/food port check
- Equipment pass-on sheet (inventory janitor's closet)
- 1st round (and continue throughout the day)
- Inmate mail delivered to inmates by 1830
- Supper chow in (See E. above)
- Inspect ALL cells. Each inmate's personal belongings must fit in their bin, on their desk, and within a maximum of two paper bags. Inmates who have been approved to have legal materials in their cells are allowed to have a maximum of two banker boxes for their legal materials. Dump the cells trash into a large trash bag you're carrying around.
- Continue Recreation/Out of Cell Schedule (See C. above).

- **Always DO the following:**

- Make your rounds.
- Only open two food ports at a time and

- then secure them.
- Develop and stick to a routine, but make irregular rounds.
- Monitor inmates refusing to take meds.
- After doing morning rounds, ensure food ports are secured and not jammed. If needed, you may check out the unjam device from the Keywatcher. If you use the unjam device, return it to the Keywatcher as soon as you are done.
- Keep the closet doors secure.
- Search inmate workers when entering and leaving.
- Live and die with the enemy/ classification list. Ensure enemies are never let out at the same time or housed in the same cell.
- Fill out your special confinements sheets fully. All observations must be documented contemporaneously (i.e., at the time you observe the inmate) on the Confinement Sheet and Watch Form. Confinement sheets that are done exactly every 15 minutes or exactly every hour are suspicious. (Complete procedures are in BOC directive 4:004.)
- Be fair, but firm.
- Inmates are not to linger in the dayroom.
- Inspect/search all incoming and outgoing inmate bins/other items.
- Inspect cells for security problems like lights out, food ports or door locks jammed, etc.
- Remove plastic from all food trays before giving to the inmate
- Keep your Recreation/Out of Cell Schedule moving. Don't let the inmates tweak extra time.
- Keep a close eye on janitor supplies.
- Don't let the inmates go in the janitor closet. The deputy shall take items out and ensure all items are returned.
- Make sure classification status on confinement sheet, classification roster, and site placement sheet match.
- Go in the cell and remove items they put on the wall, windows, lights, etc.
- Complete your cell inspections.
- Keep good towel control.
- When passing out razors, stick to that task. Make sure all razors are accounted for and that the blade is in the razor when returned.
- Distribute incoming mail, request forms, etc. to the inmates in a timely manner. Inmate mail should be passed out by 1830 hours. Don't leave the yellow or pink answered inmate request forms lying around. Put them in your desk drawer until you can pass them out.
- Secure medical cart in deputy's bathroom, multi-purpose room, or janitor's closet when passing out meds.
- Control inmate movement when they are out of cell. If they are in an area other than they are suppose to be, put them back in their cell; NO warnings.
- Communicate effectively with inmates.
- Stay with or monitor civilians, including nurses, when they are in Unit A. Don't leave them unattended.
- Inspect all cells at least once each shift, each day.
- Be careful what you are saying. Inmates can hear conversations taking place in the dayroom.
- Get the chow done and the food cart out in the evening as soon as possible.
- Use your resources. Call your supervisor or someone else for advice or information as needed.
- Ensure all inmates except new intakes

change into a striped uniform when they come to the unit. Only striped uniforms are to be stocked in Unit A.

- Always check the drain in the rec yard for drain talkers.
- NO warnings. Violations of the rules shall result in Disciplinary Reports.
- Put items away. Don't leave anything on the desk. It will disappear or be read by the inmates.
- Watch what you say. Don't have any conversations that inmates shouldn't hear (e.g., personal, about inmates, about deputies, etc.).
- Respond to appropriate questions or requests from inmates. Don't ignore the inmates. Give them an answer or requested items like toothpaste if they need it.

Execute all other duties, assignments, and special orders as may be directed.

| | TOPIC: Marathon/Plantation Key Dorm Deputy/Shift Supervisor | |

PURPOSE:

The purpose of this post order is to establish guidelines for the duties and responsibilities of the Marathon and Plantation Key staff. The Marathon and Plantation Key Deputies/Sergeants have responsibilities that are unique to their facilities and must be knowledgeable of these in addition to BOC 10:009 Dorm/Unity Deputy Post Order and BOC 10:036 Shift Sergeant Post Order. There are many situations that may arise which are not specifically covered by this post order. If further instruction is needed, you are directed to consult your supervisor.

SCOPE:

This post order applies to the individuals assigned as Deputies and Supervisors at the Marathon and Plantation Detention Facilities.

SUPERVISOR:

Shift Sergeant, Site Commander.

DUTIES AND RESPONSIBILITIES:

The Dorm/Unit Deputy's duties and

responsibilities shall consist of, but not be limited to:

Facility Operations

- Perimeter Checks
 - Perimeter checks will be done at least three times per shift or as directed by the Shift Supervisor. The Shift Supervisor is responsible for ensuring that this is done and for logging the checks in SmartCop.
 - Perimeter checks require, at minimum, walking the complete perimeter of the facility fencing, checking chaseway doors, all outside facility doors, the doors to the outbuildings and gates.
 - All exterior fencing shall be visually observed from top to bottom for breaches or evidence of escape or intrusion attempts. Examples include, cuts in the fencing or wire, clothing or other material over the fence or objects leaning on or over the fence.
 - Any problems or security breaches shall be reported to the Shift Supervisor immediately. Any maintenance issues

discovered shall be documented with a work order.

- Perimeter checks are to be logged in the control room e-log following the format of, "Perimeter check conducted by D/D Taylor, all secure."

- Facility Maintenance

- The night shifts are responsible for the daily cleaning of the isolation cells and areas outside of the dormitory. Cleaning/maintenance projects in the control room using inmate labor are discouraged. When approved by the Site Commander, they will require the presence of two officers, one to run the control room and one to monitor the laborers. The names of the inmate workers and their time in/out of the control room shall be logged in the control room e-log. If inmate labor is used in the control room special precautions must be taken to ensure that they do not have access to sensitive materials or information (Emergency Procedures, Criminal Histories, Camera Views etc.).
- The day shifts are responsible for the cleaning of the outside areas using inmate workers approved for outside work.

- Camera System

- The camera system or actual observation by staff will be utilized prior to opening the facilities main door or gates for pedestrian or vehicle traffic.
- Prior to an officer entering any area where a potential danger exists, the camera system will be utilized to scan and check the area whenever possible.
- The camera system will be kept up and running at the work stations set up for that use.
- The camera system is not a substitute

for actual physical checks on suicidal inmates.

- In the event of a complete or partial camera system failure, notification of the Site Commander and the manufactures help desk shall be immediate.
- The assigned designee to export video from the camera system will log on and log off one the task is complete.

- Fire Alarms

- Fire Alarms shall be promptly investigated by first checking the alarm panel for the alarm location.
- The alarm can be silenced at any time by pressing the "Silence" button on the control panel. If an audible alarm is necessary at a later time, it can be manually activated.
- Using staff and cameras, check the alarm areas for smoke and/or fire.
- The "Reset" command will restore the system to its normal protection mode.
- If a fire or problem is found, make the notifications and take action in accordance with the facilities fire and evacuation plan immediately.

- Daily Shift Inspections

Once each shift the Shift Supervisor or their designee will inspect the facility using the daily shift inspection checklist.

- Doors and Building Access

- Exterior doors & gates will be closed and locked whenever someone is not passing through them.
- During perimeter checks and outside maintenance, there shall always be one locked gate between the dorm fire

exit(s) and any unsecured area.

- Interior doors to inmate housing areas will be closed and locked whenever someone is not passing through them.
 - Before opening a security door a visual scan must be made to determine that conditions are normal, whenever possible.
 - Positive Identification of all individuals must be made prior to permitting them access to the facility.
 - It is everyone's responsibility to ensure that all weapons, electronic control devices, knives and ammunition are removed before entrance to the facility. If you suspect that a person still has a weapon on, he/she will be refused admittance and the supervisor will be summoned immediately.
 - All visitors, new intakes and returning inmate workers will be scanned with a handheld metal detector as they enter the facility.
 - It is everyone's responsibility to monitor inmate worker movement and admittance to authorized work areas.
- Control Room Weapons
 - A ready to fire MCSO issued firearm will be maintained in a weapons locker located in the control room.
 - Unless needed for an emergency, inventory, or maintenance, the weapons locker shall remain closed and locked at all times.
 - Notification to the Site Commander is required anytime a firearm is removed from the locker for a purpose other than daily inspection; notification shall be made as soon as safely possible.
 - The firearm may only be removed for a

life safety emergency where death or serious bodily injury is eminent and can be prevented by the presence of or use of a firearm.

- All MCSO General Orders reference firearms and Deadly Force must be followed.
 - When no longer needed, the firearm shall be returned to locked storage and a report shall be written.
- Plantation Key Courthouse Alarms

The courthouse alarms are not wired to any location other than the Plantation Key Detention Facility. They depend upon our assistance in the event of an emergency. Alarms are located in the courtrooms, lobby and judicial offices. If an alarm is activated at any time other than during announced testing, follow these steps:

 - Call the front desk Court Deputy at 305-852-7109, ask if they need any assistance and confirm they are aware of the alarm.
 - If there is no answer at 305-852-7109, dial 911, explain the circumstances and ask for road patrol deputies to respond.
 - In the event of an alarm outside of normal business hours, follow the above instructions and contact the court deputy sergeant.
 - More specific instructions are posted at the control room alarm panel.
 - Isolation and Holding Cells
 - Inmates in isolation shall be placed on a confinement watch appropriate for their status. Unless otherwise directed by the Shift Supervisor, the Dorm Officer is responsible for completing the confinement forms. A new form will be started at midnight or when their status changes.

- All food ports to the confinement cells shall be kept closed and locked when not being used to pass food trays, allow for phone calls or as a means to secure Hi Profile inmates.

- Supervision

The dorms shall be operated under the principals of direct supervision whenever possible. The Dorm Officer is allowed out of the dorm for meal and restroom breaks. The Shift Supervisor may direct the dorm officer to conduct other tasks outside of the dorm such as assisting with transportation or the processing of new intakes. Unless otherwise directed or occupied, the duty post of the Dorm Officer is the dormitory and isolation areas.

- New Intakes

Whenever possible, a female deputy shall search a female intake and male deputy shall search male intake. If a same sex deputy is not available every attempt shall be made to find one from another division. If none is available the search shall be witnessed by a second deputy and an incident report will be written. In Key West it is required to have the nurse on scene.

Execute all other duties, assignments, and special orders as may be directed.
