

The purpose of this handbook is to inform you of the practices established to ensure your safety and welfare while you are incarcerated. The policies and procedures of the Monroe County Detention Facilities are in accordance with all federal, state, and municipal laws pertaining to corrections.

Monroe County detention facilities utilize the direct supervision model. This style of management uses corrections deputies working directly within the living areas with the detained. The units and dorms house from 54 to 95 inmates each.

During your confinement you will be governed by the same laws that exist in our society. In addition, you are to abide by all facility rules and regulations.

Our correctional facilities provide a number of opportunities for inmates to use their time productively. A summary of the services available to you is herein provided. Religious, recreational and educational programs are also offered. You're encouraged to take advantage of these services and programs.

It is to your benefit to become familiar with the contents of this handbook. Should you have a question that is not covered, you may contact a staff member for assistance.

RULES, ORDER AND DISCIPLINE

PRISON RAPE ELIMINATION ACT (P.R.E.A.)

The Monroe County Sheriff's Office policy and procedure has a zero tolerance policy towards sexual battery, sexual abuse, or sexual harassment of any inmate incarcerated within Monroe County.

Any sexual activity, forced or consensual, between inmates or between inmates and staff or others is prohibited and will be fully investigated. Violators will be subject to the full range of criminal and administrative sanctions.

While you are incarcerated, no one has the right to pressure you or force you to engage in any sexual act. You have the right to be free from retaliation for reporting sexual abuse or harassment.

Inmates who are physically stronger or possess canteen or other items may attempt to use their strength or their possessions to their advantage. Gambling/bartering/trading is prohibited because inmates may "loan" or "trade" items so other inmates "owe" him/her. When the indebted inmate is unable to repay the loan, the inmate who loaned or traded the items may resort to threats, physical attacks and/or sexual assault.

You can report abuse to **any** staff member. You can drop a request form in the medical box, you can send the request through the kiosk or you can tell a third party who can report it. If you are victimized, staff will immediately protect you from the assailant. In addition, staff will contact medical personnel so arrangements can be made for a medical examination and/or counseling.

A victim of sexual assault or battery will receive medical treatment at no cost while incarcerated. Information regarding a complaint will be kept confidential.

Upon transfer to another facility, be aware that policies and procedures are different from facility to facility. Sexual abuse and sexual harassment is illegal and will not be tolerated at any facility and should be reported.

Inmate Detection and Prevention

Please be advised that prevention and intervention strategies have been put in place by staff to protect all inmates from sexual assault and abuse. Those strategies include a PREA Coordinator, unannounced rounds, additional cameras, and reporting procedures.

Definitions include:

Inmate-on-Inmate Sexual Abuse/Assault/Harassment – One or more inmates, through word and/or action, coercing, pressuring, intimidating, or forcing another inmate to engage in a partial or complete sexual act. Sexual acts or contact between inmates, even when consensual and/or when no objections are raised, are prohibited acts.

Staff-on-inmate Sexual Abuse/Assault/Harassment – Engaging in, or attempting to engage in any sexual act with any inmate and/or the intentional touching of an inmate's genitalia, anus, groin, breast, inner thigh, or buttocks with the intent to abuse, humiliate, harass, degrade, arouse, or gratify the sexual desire of any person. Sexual acts or contacts between an inmate and a staff member, contract personnel, or

volunteer, even when consensual and/or when no objections are raised, are always illegal, and subject to administrative and criminal disciplinary sanctions.

Prison Rape Elimination Act (PREA) – Enacted by congress in 2003 to address the problem of sexual abuse of persons in the custody of United States correctional agencies. PREA applies to all public and private institutions that house adult or juvenile inmates and is also relevant to community-based agencies.

PREA Coordinator – The PREA Coordinator is the Support Services Lieutenant in the Key West Jail Facility. The function of the PREA Coordinator is to develop, implement, and oversee efforts to comply with the PREA Standards in all three facilities.

PREA Compliance Manager – The PREA Compliance Manager is the site Lieutenant for the Marathon Jail and Plantation Key Jail Facilities. The PREA Compliance Manager will serve as a point person for PREA related matters within the respective facility.

Gender nonconforming – means a person whose appearance or manner does not conform to traditional societal gender expectations.

Intersex – means a person whose sexual or reproductive anatomy or chromosomal pattern does not seem to fit typical definitions of male or female. Intersex medical conditions are sometimes referred to as disorders of sex development.

Transgender – means a person whose gender identity (i.e. internal sense of feeling male or female) is different from the person’s assigned sex at birth.

Any inmate who has been subjected to sexual abuse or assault will receive proper medical treatment and have the same level of treatment as those victims in the community. Additional psychological services will also be provided at no cost.

Inmates should protect themselves from being a victim from sexual abuse by reporting any instances immediately. Staying away from dark areas and using the intercom button, banging on door, or yelling if abuse is occurring in cell is encouraged.

Inmates should prevent a sexual abuse and assault by not bartering canteen, engaging in rule violations of the facility, get into gambling debt, perform any special favors, or allow others to use phone pin number. Being in debt and owing could lead to sexual abuse.

GENERAL RULES

1. All Correctional Deputies and members of the staff will be called Deputy, Mr., Ms., or by title of their position along with their last name. First names or other terms will not be used. You will be identified and called by your last name.
2. All directives and requests from staff members are orders and must be carried out promptly and fully without complaint. If you believe the order is unjust or have a complaint regarding an order or action, **obey the order**. You may later bring the complaint to the attention of another staff member by

completing an Inmate Request Form documenting your complaint.

3. During all scheduled and unscheduled counts, you are required to go directly to your assigned housing area, sit on your bunk with your head and shoulders clearly visible to the deputy conducting the count, and remain silent. You are not to move after count starts until the count is announced completed by the officer-in-charge. During counts, televisions, tables, and other instruments will be turned off. Counts are at approximately 6:00 a.m., 12:00 p.m., 4:00 p.m., 6:00 p.m., and 11:00 p.m. During lockdown counts there is no playing board games, cards, or working out. You are to be in your pods or cell on your bunks. You may only leave to go to the restroom or water fountain after headcount is completed and permission is given by the dorm/unit deputy. For “Face-to-Photo” headcount inmates MUST have their county issued jail identification tag ready for the deputy to view during headcount.
4. A schedule for work, sick call, dining, recreation, laundry, visitation, church services, educational classes, passing of medications, and other programs will be posted on bulletin boards or otherwise announced. You are responsible for following these schedules/announcements. You must be dressed and prepared to report on time for any scheduled activity or program.
5. You are required to keep your living area and cell clean, assist in cleaning dayrooms, showers and toilet areas and have these areas ready for inspection. Walls, bunks, benches, doors, windows, etc. will not be marked or defaced in any manner. Pictures or other articles shall not be attached to walls, beds, writing desks, or placed on window ledges. Pictures are to be stored in your grey bin.
6. You will not give, loan, barter, exchange or sell any personal property, food, commissary items, or issued items to another inmate. Personal property in the possession of anyone other than the recorded owner will be taken and disposed of as contraband.
7. The tablet charging stations may be opened and televisions may be turned on each morning after inspection is successfully completed. Channels are selected by majority preference. If inmates are in your housing Unit/Dorm that do not speak English, the housing deputy may override the majority preference to ensure both English and Spanish shows are viewed throughout the day. Televisions and tablets are a privilege and may be withdrawn by any staff member when rules are not followed.
8. Tampering with, damaging or destroying county property and/or safety devices, such as smoke detectors, is a punishable offense. Disciplinary action will be taken and/or criminal charges filed against inmates found in violation. F.S. 806.13
9. **No smoking will be allowed.** All tobacco products/accessories are contraband and punishable as a 3rd degree felony. F.S. 951.22
10. You will not enter any cell, Unit/Dorm, or other housing area where you are not assigned except when on a supervised work detail.
11. You are encouraged to shower daily; however, you will be required to take at least two showers each week to help decrease the spread of infectious diseases. Showers are open to general population inmates from 9:00-10:30 a.m., 2:00-3:30 p.m., and 9:00-10:30 p.m. Inmates in confinement will be let out to shower per the schedule in their housing unit. Inmates/inmate workers returning from recreation/work details will be given an opportunity to shower. This is not to interfere with facility headcount procedures.

12. You are responsible for the safekeeping of all personal property in your possession. The deputy is not allowed to watch personal property or to secure property.
13. You will be issued an identification card that must be worn at the bottom of the V on your uniform shirt at all times you are outside of your cell. Loss of this identification card will result in disciplinary action and an administrative fee being charged to your canteen account. The loss/removal of your identification card will cause a delay/denial in privileges, services, and/or release.
14. Bedding and linen (e.g., mattress, blanket, sheets, towel) will not be removed from your sleeping area nor used for rugs, tablecloths or any other purpose. Towels will be laundered twice a week. You may borrow a towel to use as a prayer rug/mat. Loss of towel will result in an administrative fee being charged to your canteen account.
15. Excessive noise, horseplay, shouting, yelling, profanity, etc. will not be permitted in the facility or outside areas.
16. Talking or passing items to and from inmates in lockdown or in segregation is prohibited and will result in disciplinary action.

26. You are not allowed to have any keys in your possession.
27. You are not allowed to have any tools in your possession except when assigned to a supervised detail requiring tools.
28. Inmates shall not use or possess hazardous materials (i.e., flammable, combustible, toxic, caustic

CLASSIFICATION

The primary objective of classification is the placing of inmates in the type of housing that best meets their needs and to provide reasonable protection for all inmates and others.

Each inmate will be interviewed by the Classification Department. The classification decision will be based on all information available regarding self-reported medical history, criminal history, housing as ordered by Medical, inmates who fall under PREA requirements, past institutional behavior, and current charges. A classification level of 1-2 is maximum security, 3-5 is medium security, and 6-8 is minimum security.

Once the classification level has been determined, you will receive a copy of the classification decision. Any inmate, who so desires, may appeal his/her classification (in writing) in any of the two basic areas (security level or programs) within ten (10) days of the primary classification or reclassification by addressing the appeal to: Classification Department, Appeal of Classification.

The inmate classification process ensures periodic review of inmate status, and if warranted, revision of inmate status as needed in response to changes in inmate behavior or circumstances.

After an inmate has been processed into one of the Monroe County Detention Facilities, an individual commissary account will be opened. The processing fee will be deducted from each non-exempt inmate's account in order to defray the cost of processing. This fee is deducted at the time the inmate's account is opened.

If an inmate does not have enough money to cover the fee, the inmate's account shall be debited for the amount due and the account will carry a negative balance until monies are deposited into the inmate's individual account. Any inmate who believes they have been subjected to unfair and/or unjust treatment will also contact the Unit/Dorm Deputy. If you do not receive a satisfactory response or resolution to your request, problem, or grievance from the Unit/Dorm Deputy, then you may fill out an Inmate Request Form and hand it to the Unit/Dorm Deputy for further action.

There is no time limit to file a grievance.

Inmate Request Forms are for in-house only. They will not be routed outside the facility (e.g., judges, parole officer, Department of Corrections). You will need to write the outside facilities through the postal system. See the address list at the end of this handbook for the most requested addresses.

That supervisor's final decision should be provided within ten (10) days of the receipt of the appeal.

Grievances requiring extensive research and documentation may require a longer period of time for response. The responsible person shall notify the inmate in writing of that fact.

Inmate grievances will not be processed if they are determined to be frivolous, excessive, repetitive, or have been previously answered. They will be returned to the inmate with a written explanation.

There shall be no retaliation against any inmate for filing/pursuing a grievance.

STAYING HEALTHY IN JAIL

The best way to protect yourself from diseases and infection in general, but especially in jail, is to wash your hands as often as possible. Most 'bugs' are spread due to lack of good personal hygiene, especially hand washing. Do not share other peoples' personal care items such as towels, combs, etc. If you use the jail

provided clippers to cut your hair or beard, be sure to clean and disinfect them before and after use. Keep your hands away from your mouth! Always wash your hands before eating. Drink as much water as you can. Staying well hydrated will also help you to stay healthy while you are here.

Notify the Medical Department immediately if you see any signs of infection or irritation (redness, pain, itching, and/or swelling) on your skin or anywhere else on your body.

FOOD SERVICE

A food service corporation provides meals for the Monroe County Detention Facilities. All meals are prepared for each facility from menus approved by a licensed dietician. Three wholesome and nutritious meals that provide the basic nutritional needs are served daily which are low-cholesterol, low-sodium, and bland. Meal times are usually between 6:00-6:30 a.m. for breakfast, 11:00 a.m.-12:00 p.m. for lunch, and 5:00 - 7:00 p.m. for dinner for all facilities.

All inmates are fed the same food. The only exceptions are for religious or medical reasons. Do not write for a special diet if you don't have a valid reason; you will be denied.

Religious Diets: Vegetarian, vegan, and kosher diets are only done for religious purposes. If your religion requires a special diet, request a religious diet application via the kiosk to the Programs Department with:

1. The name of your religion; and
2. The name and phone number of a contact person (e.g., priest, chaplain, rabbi, father, elder, etc.) who can verify your religion and that your religion requires you to be on a religious diet. Your contact person will be called by our facility Chaplain or designee to verify that you participate in their services and that your religion does require a special diet. **Note: Family members and friends cannot be used as the contact person for your religious verification.**
3. Each inmate must adapt their religion to the special religious diet that the kitchen has been authorized to serve for that religion. No meals from the outside will be allowed. Your religious meal will be revoked if you are found to be eating other meals or other foods not consistent with your religious diet requirements. This includes commissary items. Medically issued diet meals will override your religious meal.

If you require a special diet because of medical reasons, put in a sick call form to the Medical Department and drop the medical form into the medical box inside your unit/dorm. If the doctor concurs, s/he will inform the kitchen to put you on a diet. If s/he does not concur, you will be fed the same food as all other inmates.

TELEPHONES

The use of the telephone is a privilege. All calls made from a Monroe County Detention Facility are recorded and are subject to monitoring. This includes phone calls made using the inmate tablet. If you have an attorney other than a Public Defender, that attorney needs to call the Monroe County Detention Facility to request that his/her phone number not be recorded. This information will be verified before the phone number is programmed not to be recorded. A person who chooses to speak with an inmate calling from a detention facility is notified, via a telephone prompt, that the call is recorded and subject to monitoring. Any person who, after hearing the prompt, continues to speak with an inmate is giving his/her consent to the recording and possible monitoring of the telephone call. You are allowed to use the telephone to notify family members, your attorney and/or to arrange for bond. You are not allowed to call the various offices within the Sheriff's Office (this includes 3rd party calls). All communication to offices within the Sheriff's Office will be through an Inmate Request Form, the inmate kiosk request manager or U.S. Postal system.

You are not allowed to share your phone PIN number with another inmate, and you are not allowed to use another inmate's PIN number. You shall not have another inmate use his/her voice enrollment to make telephone calls. Violations will result in disciplinary action.

Third party calls are not permitted, i.e. you may not have the party you are calling transfer you to another number. Violations will result in disciplinary action.

Each housing area has a telephone that allows collect debit account or pre-paid calls only. All collect call charges must be accepted by the person you are calling. IC Solutions provides the inmate telephone services. Your family/friends can call 888-506-8407 to establish a pre-paid collect account. This allows your family/friends to pre-pay for telephone minutes on a specific phone so you can call a specific phone number. Your family and friends may also establish a debit account with IC Solutions by calling 888-888-8413. By establishing a debit account, your family and friends purchase telephone minutes you can use to call any telephone number. Your family and friends can also contact IC Solutions by going to www.icsolutions.com. Each call is limited to 15 minutes. Phone calls may be limited during peak usage periods.

Fraudulent calls will result in termination of your privileges and possible disciplinary action. Inmates who make obscene, threatening, or harassing telephone calls, or damage telephone equipment, will lose their telephone privileges and will be criminally prosecuted.

We do not remove blocks on phones per inmate request. Only the person that is on the receiving end of the blocked phone number can remove it by calling Customer Service at 1-888-506-8407.

The telephones used by inmates and visitors in the visitation areas are recorded and are subject to monitoring. Visitors and inmates are advised of this practice through posted placards in the visitation areas. Any person who chooses to engage in a telephone conversation using a visitation phone gives his/her consent to the recording and possible monitoring of the conversation.

All inmate phones are equipped with volume control. Instructions for raising the volume are posted near the inmate phones. Any inmate who is hearing and/or speech impaired or calling someone who is hearing and/or speech impaired may request the use of the TTY phone through their Unit/Dorm Deputy.

Scheduling for the telephones will be left to the discretion of each facility and its area supervisor.

In such cases as family death or hospitalization, the inmate will be informed as tactfully as possible by the Shift Supervisor and/or the chaplain. The Shift Supervisor will then allow the inmate to make emergency phone calls as necessary.

All voicemail messages will be subject to monitoring and recording.
